Elite's EZ-Cinema Series is an Ultra-Portable screen that sets up quickly for residential or commercial presentations. Its Simple Telescoping Hardware Mechanism (STMH) provides an easy operation with variable height settings. Traveling Bag with shoulder strap is included for extra protection in transportation and screen storage.

### MaxWhite Screen Material

The most versatile screen surface for front projection. This material provides unlimited viewing angles and perfect uniformity while giving precise color reproduction with black and white contrast. Screen Surface is durable for daily use, is mildew resistant and can be washed with mild soap and water.

**PVC/Woven Screen Material**, Multi-Layer, Cross-Array Layout, Coated with Matte White Optical Material that is Mildew Resistant.
