**IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY.
FOR DOMESTIC INDOOR USE ONLY.**

Care and Cleaning

Dust often and use a vacuum cleaner crevice tool to clean seams. To maintain the fabric appearance, gently clean soiled areas with a soft cloth dampened with a mild, water based detergent. Remove all lather and wipe with a clean, damp cloth. Dry with another soft cloth by blotting the damp surface (do not rub).

Spot Cleaning Leather

Blot any spills immediately; do not rub. Blot away the excess liquid with a clean, dry, white cloth; turning the cloth frequently.

Do not use common household cleaners, solvents, or dry cleaning fluids on leather furniture. These cleaners may cause damage.

Do not use or place sharp objects on leather furniture.

Do not place furniture in direct sunlight and keep furniture at least 60 cm/2 ft from heat sources to avoid fading.

This Class B digital device complies to part 15 of the FCC rules.

"Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on. The user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment in to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution:

Modifications not approved by the party responsible for compliance could void user's authority to operate this equipment.
