# MEMOIRS®

## Technical Information

Fixture*:				
Basin area:				
Bathing well		42" (1067 mm) x 27" (686 mm)		
Top area		54" (1372 mm) x 30" (762 mm)		
To overflow:				
Water depth		16" (406 mm)		
Capacity		81 gal (306.6 L)		
Weight		80 lbs (36.3 kg)		
* Approximate measurements for comparison only.				
Drop-in cutout		64-1/2" (1638 mm) x 40-1/2" (1029 mm)		
Heater:		W	V	HZ
		65	120	60
				A
				.5

## Installation Notes

Install this product according to the installation guide.

Floor support under the bath must provide for a minimum of 40 lbs (196 kg).

Hot water supply should be 70% of capacity or greater. Installations will vary.

If installing a rim-mount faucet, make sure there is no interference with drain overflow before drilling any holes. Consult local and national codes for minimum air gap requirements if installing a spout on the faucet deck.

This bath is designed for drop-in installation only. It is not suited for use in a three-wall alcove with an overhead shower.

Locate a GFCI-protected 120 V, 15 A, grounded electrical outlet within 24" (610 mm) of the bath junction box.

40" (1016 mm) cable is included.

No change in measurements if connected with drain illustrated. (K-7161-AF)
