HOW TO FLUFF

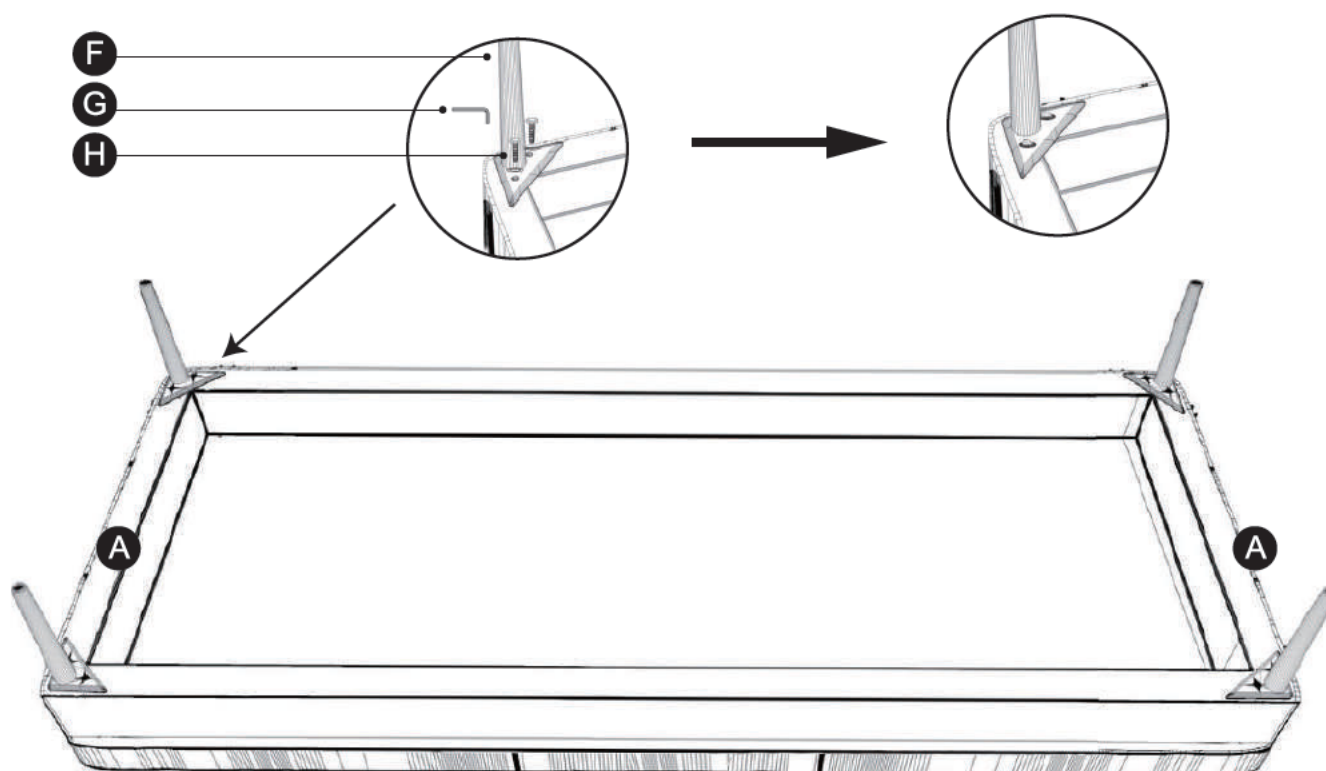

SQUISH

HIT

SHAKE

Assembling

Step 1: Sofa legs installation

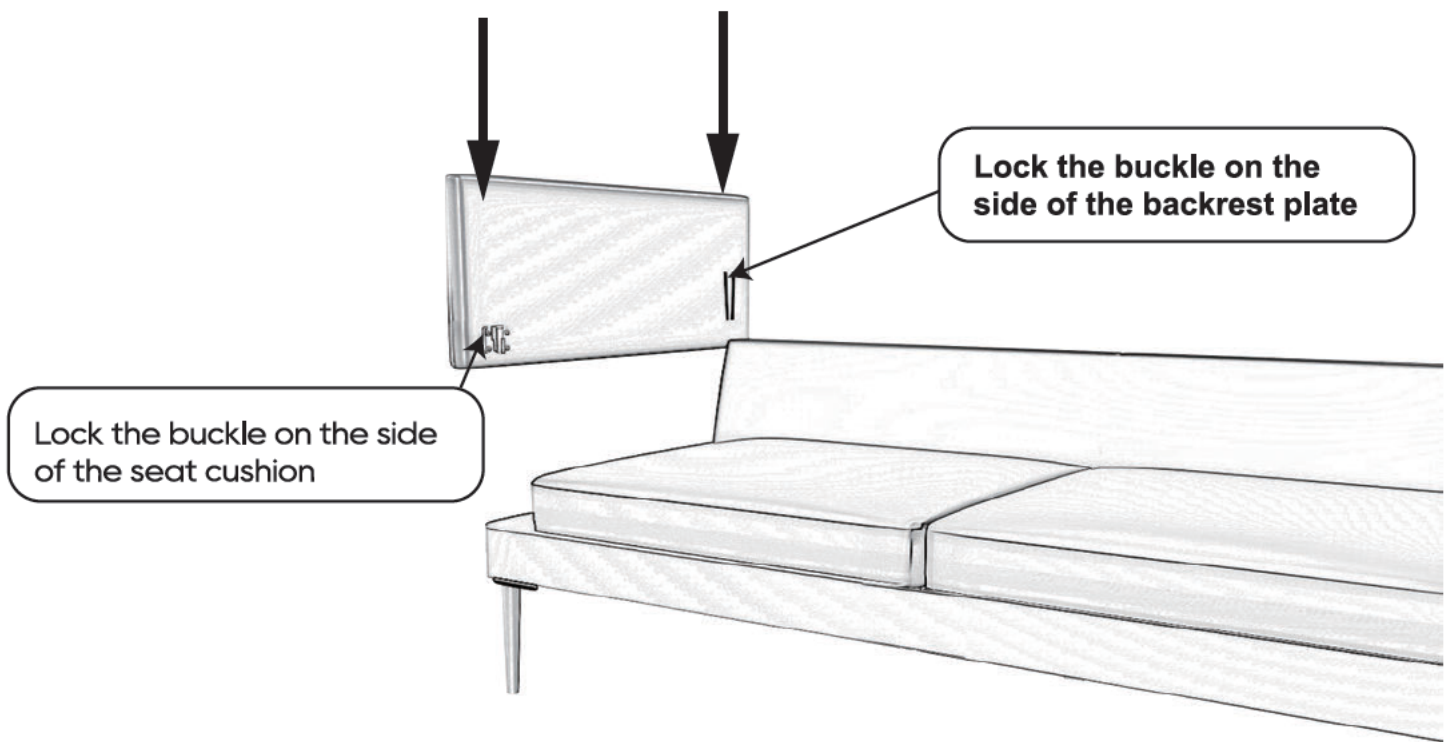

Step 2: Backrest plates installation

! Lock the buckle on the side of the backrest plate

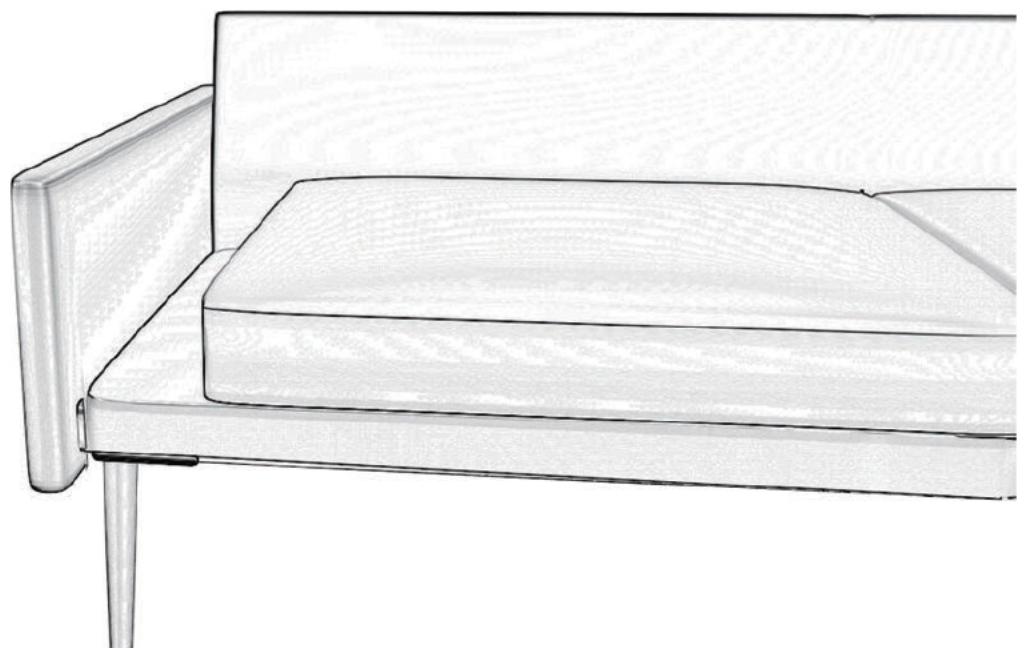

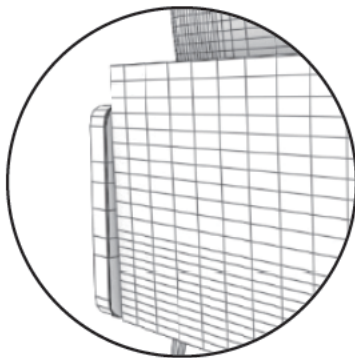

Step 3 : Armrests installation

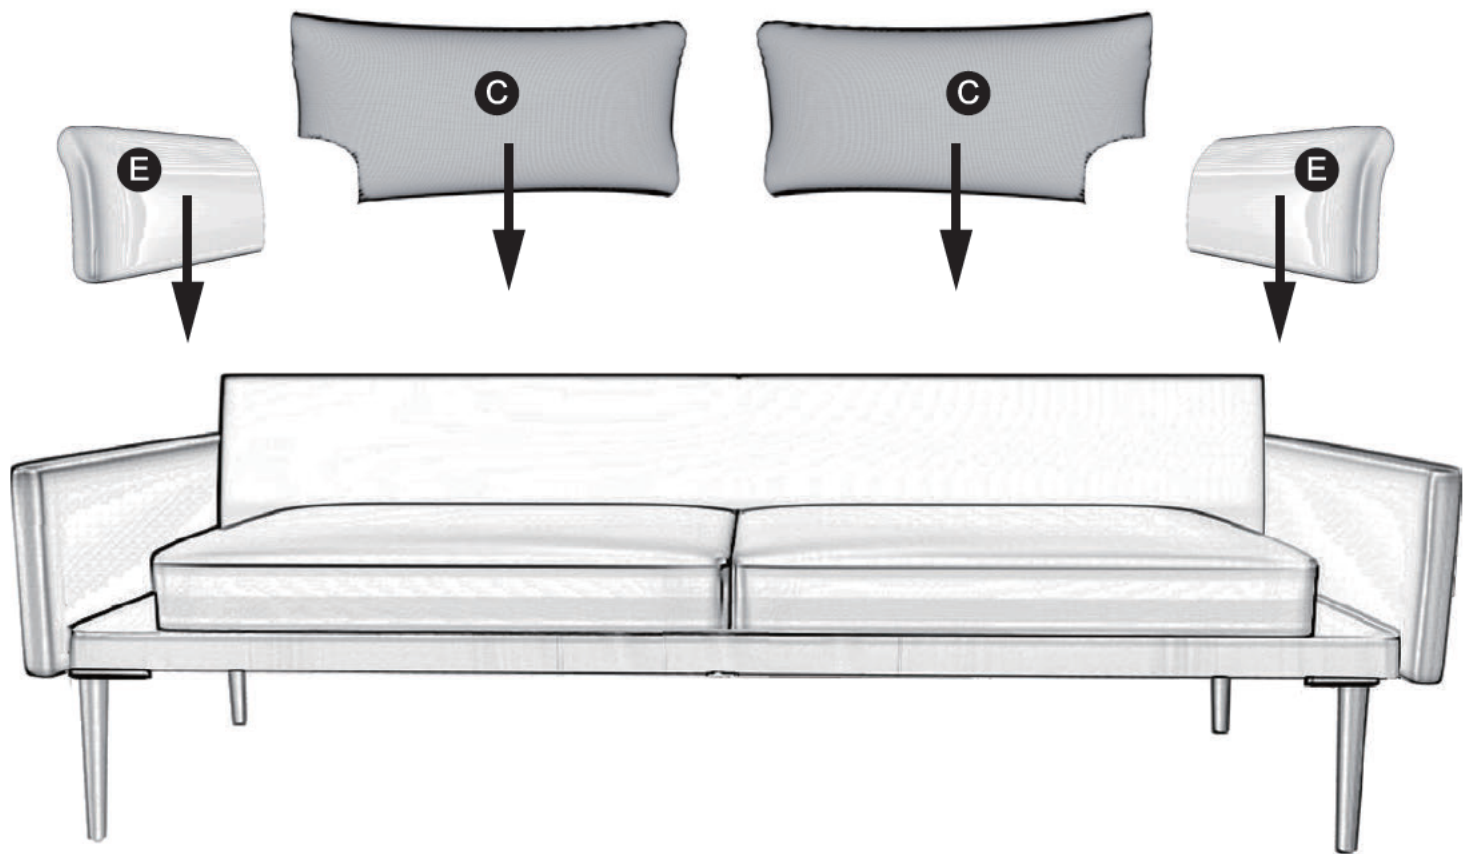

! Lock the buckles and press down to the position of the bottom.

Sweet tips :

The backrest plate uses an ergonomic design that can be seen slightly inclined after assembly.

Step 4: Place backrest cushions & side pillows

Use velcro to fix the sofa backrest.
