

# TVF8044

## STUDLESS FIXED TV WALL MOUNT

The TVF8044 is a premium studless fixed metal mount that combines sleek design with robust functionality. Its ultra-low profile ensures a minimalistic and aesthetically pleasing look when mounted, making it an ideal choice for modern living spaces.

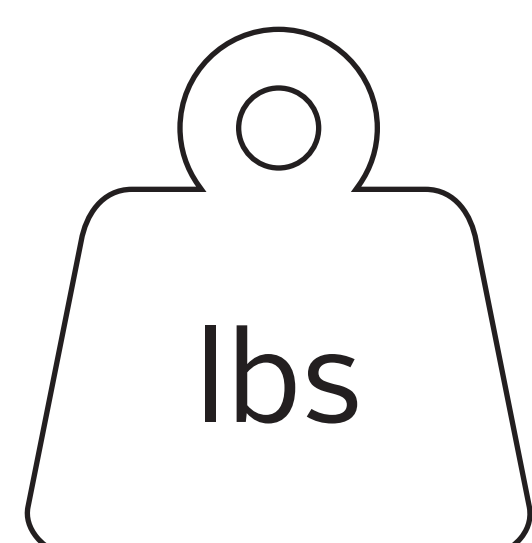

One of its standout features is its impressive weight capacity, supporting TVs weighing up to 132lbs or 60kg. This capability ensures that the TVF8044 is suitable for a variety of flat-screen TVs, including larger and heavier models.

To complement modern home aesthetics, the mount features an elegant black finish. This finish not only adds a touch of sophistication to the mount but also helps it seamlessly blend into various interior design schemes.
