The smart tech style design of the Zero Radius 304 Stainless Steel sinks by Dakota Plumbing Products can completely change the way you kitchen. The clean 90 degree corners and brushed look create an Ultra Modern feel while creating a larger space for pots, pans, and cookie sheets. A channeled bottom creates an even flow of water to the Signature 3.5" Center Drain. The Peacekeeper Sound Absorption System provides noise reduction and tranquility enhancement while keep condensation from gathering underneath and damaging your cabinets.
