PRODUCT TEXT

ROMBO IS A SERIES OF RUGS DESIGNED BY STUDIO MLR. CHARACTERISED BY THE MATERIALS USED IN THE RUGS. THE COMBINATION OF WOOL AND JUTE CREATES A ROBUST SURFACE. THE WOVEN CONSTRUCTION FORMS SMALL, DISTINCTIVE RHOMBI PATTERNS, WHICH THE SERIES IS NAMED AFTER.

AT EITHER END OF THE RUG, STRAIGHT LINES ENCASE THE RUG CREATING AN ELEGANT CONTRAST BETWEEN THE COLOURS AND PATTERNS. THE SERIES CONSISTS OF A SMALL, LARGE AND RUNNER RUG.
