

6-Light Frosted Glass Globe Linear Sputnik Semi Flush Mount

Caution: Please turn off power before installation and read the manual carefully, we advise you contact professional electricians to install for safety purpose.

Product Features

Style: Modern/Contemporary

Material: Metal, Glass

Base Type: G9

Light Source Included: No

Voltage: 120VAC

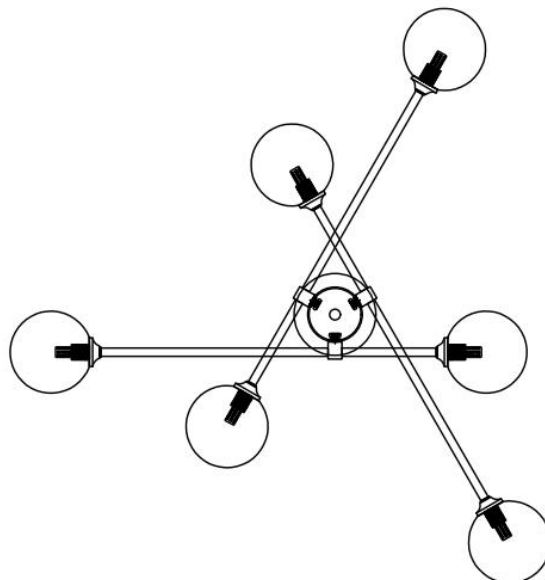

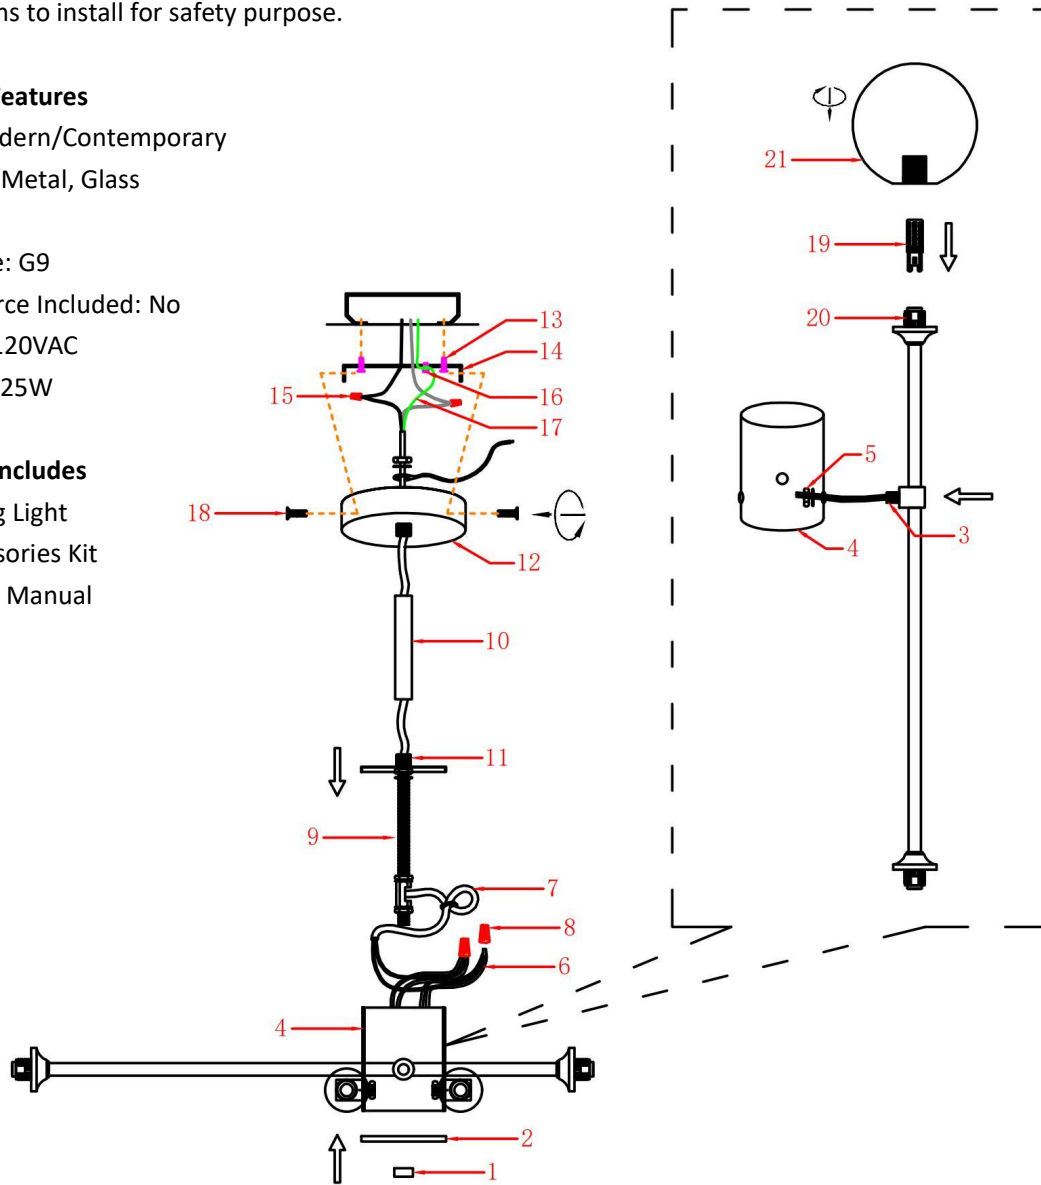

Wattage: 25W

Package includes

1 x Ceiling Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

A: Unscrew the cap nut (1) and remove the lamp housing cover (2).

B: Pass the lamp arm (3) through the side hole of the lamp housing (4), then tighten the nut (5).

C: Connect the live wire of the lamp arm (6) to the live wire of the main wire (7) using a wiring cap (8). Also, connect the neutral wire of the lamp arm (6) to the neutral wire of the main wire (7) using a wiring cap (8). Be careful not to expose the wire to prevent leakage.

D: Pass the threaded rod (9) through the lamp housing (4), then secure it with the cap nut (1).

E: Pass the main wire (7) through the down rod (10), then tighten it onto the threaded (11). Pass the main wire (7) through the hole in the ceiling plate (12) and tighten it onto the threaded of the rod (10).

F: Secure the mounting plate (14) to the junction box using the junction box screws (13).

G: Connect the live wire of the main wire (7) to the live wire by using the wiring cap (15), and also connect the neutral wire of the main wire to the neutral wire by using the wiring cap (15). Be careful not to expose the wire to prevent leakage. Fixed the ground wire and the ground wire of the fixture (17) on the mounting plate (14) through the green screw (16).

H: Pass the mounting plate threaded bolts (18) through the two small holes on the side of the ceiling plate (12), then tighten them onto the mounting plate (14) to secure the lamp.

I: Install the light source (19) into the lamp holder (20), then screw the lampshade (21) onto the lamp holder (20).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
