

Audra Tabletop Clock 645584

TABLE CLOCK: The Audra Alarm & Table Clock has a brushed and polished brass finish with a decorative handle, brass button feet, and columns to complement your home decor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor carriage clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Place it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: The enduring design shows traditional Roman numerals, with IIII instead of IV. Easily tell time with the circular, diamond-cut numeral ring, black hands, brass second and alarm hands, and glass crystal to stand out over the brass-tone dial.

MOVEMENT: It is powered by quartz and alarm movement, and requires one AA sized battery.
