

SOLAR PATHWAY LIGHTS

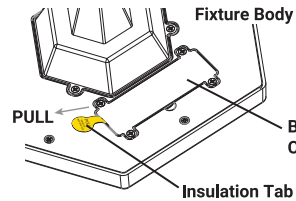

PACKAGE INCLUDED:

| Fixture Bodies ×2 | 12" Risers×2 | Mounting Stakes×2 |
|--|---|---|
|  |  |  |

One #18650 Lithium Battery is pre-installed in each Fixture Body.

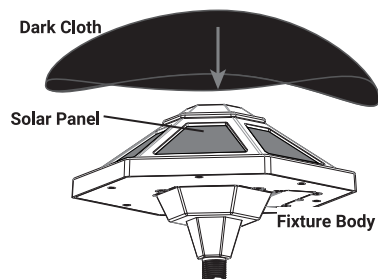

HOW TO ASSEMBLE LIGHT:

1. REMOVE INSULATION TAB

Pull the insulation tab out of the battery compartment.

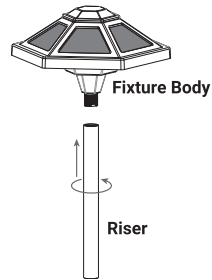

2. TEST SOLAR LIGHT

Cover solar panels completely by using a dark cloth. The fixture will light up when the solar panel is covered and turn back off when it is uncovered.

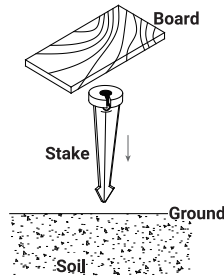

Now you can proceed to next steps of installations knowing the fixture is functional.

3. INSTALL RISER

Thread the riser onto the fixture body and hand tighten until snug.

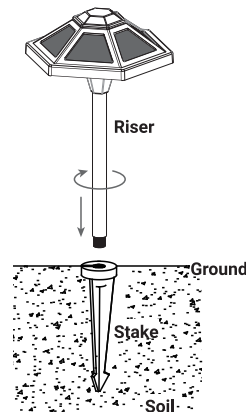

4. INSTALL STAKE

Determine the desired location for mounting the stake mount. Hammer the stake into the ground until flange of stake is flush to grade. To avoid damage to the stake, place a board on top of the stake while hammering.

Note: If the ground is hard and the stake is difficult to install, make a crosscut in the ground using a flat shovel.

5. INSTALL RISER TO STAKE

Thread the riser on to the stake and hand tighten until snug.

OPERATIONAL INSTRUCTIONS:

How to use

- Before the first use, pull the insulation tab and allow the light to charge for a minimum of 8 hours. Charging it fully will optimize its performance.
- The light is designed to turn on automatically at dusk and turn off at dawn. It will function seamlessly, providing illumination when needed.

How to replace the battery

If you need to replace the battery, kindly adhere to the following instructions:

- Using a screwdriver, remove the battery compartment cover from the fixture body.
- Remove the old battery out of the battery compartment and replace it with a new one.
- Place the battery compartment cover back onto the fixture body and secure with the previously removed screws.

NOTE: Only #18650 Lithium battery is recommended.

SPECIFICATIONS:

| | |
|-----------------------------------|---|
| Product Type | Path Light |
| Design | Traditional |
| Fixture Color | Red Bronze/Yellow Bronze/Black |
| Material | Aluminum Alloy/Plastic |
| Light Color | Warm White |
