Electric fireplaces are an easy way to add warmth and character to your home. If you are looking for an multi-functional statement piece, this Fireplace is perfect for you. Two side bookshelves balance the middle frame that hosts the fireplace insert. These shelves, along with the long mantel top, provide plenty of space for displaying books and decor. A Gothic floral appliqué is carved across the top of the fireplace, giving it a classic and traditional look. The clean lines, fluted pilasters, and crown molding are a few of the design details that add even more character to the frame.

The electric insert produces 5,115 BTUs of fan-forced heat that can quickly heat a 210 sq. ft. room. An enchanting flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding highlights throughout the charred log display. Fireplace enthusiasts will enjoy the convenience of an electric unit. It's flexible placement allows you to move it from room to room as needed. It will never produce ash or soot, and the logs will never need to be replenished. No need to for professional installation, simply plug it in and enjoy!
