

Warranty

We warrant our products against defects in workmanship and finishes for one year following the date of shipment. In addition, any product which contains a sensor has a 5-year warranty on the functionality of the product, which includes all Dualux® and Instalux™ products. Products with integrated LED modules have a 5-year warranty on the LED functionality. The motor on any fan has a lifetime warranty for as long as the original purchaser owns it.

We reserve the right to repair, replace or issue a credit for any properly installed product, provided it is returned per RMA instruction. This warranty is limited to the cost of the product only and does not extend to transportation, installation or replacement costs.
