Information about your Furniture.

This furniture range has been manufactured from coated metal.

Caring for your furniture.

Extreme temperature can affect your furniture, please avoid placing close to radiators or other sources of heat.

Not suitable for use in damp or humid environments.

Please avoid exposing your furniture to continued bright sunlight as this may affect the colour.

Any fluid spills should be removed as quickly as possible.

Always lift your furniture when moving as dragging may cause damage to your furniture or flooring.

After care.

Regularly clean surfaces with a dry cloth.

When necessary a slightly dampened cloth can be used to remove stains or spills but ensure the furniture is fully dried afterwards.

Any fluid spills should be removed as quickly as possible.

To keep drawers running smoothly we recommend using a household spray polish or silicone curtain track spray on the drawer runner tracks.

Please do not use any wax based products, detergents or chemicals on this furniture.
