Gloves x 1Pair

ATTENTION

Please note, if you find any damage to the package upon arrival, resulting in loss of internal components or visible damage, please contact us. **We will take responsibility for any damages caused during transportation.**
Please ensure that you begin installation only after receiving **both** packages. If not received, please contact us to inquire about the corresponding package status, and **we will respond within 24 hours.**
Handle each part of the gazebo with care, as many components have sharp edges.
DO NOT attempt to assemble the gazebo before verifying that all parts are present as listed. Partially assembled structures can be severely damaged by light winds.
DO NOT attempt to assemble the gazebo on windy days, as this can make construction difficult and unsafe. Monitor the weather closely.
During construction and until the gazebo is fully assembled, **keep children and pets away from the worksite to avoid distractions and potential accidents.**
Avoid placing weight concentrated on the roof of the gazebo.

ASSEMBLY

The best location is a flat area.

Ensure there is adequate space around the gazebo to access the roof with a ladder.

TEAMWORK : Two or more people are required to assemble the structure.

CARE & MAINTENANCE

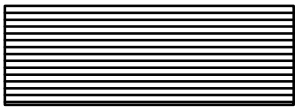

Combustibles and corrosive materials must be stored in sealed containers designed for chemical and/or combustible storage

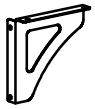

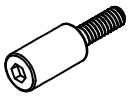

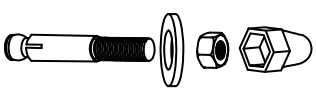

Rust Protection Precautions

Avoid scratching or scraping the coating surface inside and out.

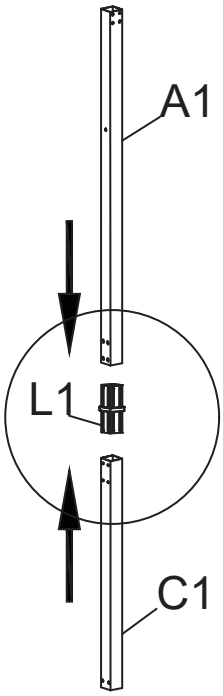

PLEASE KEEP THIS INSTRUCTION MANUAL FOR FUTURE REFERENCE.
