

# Arm Chair with Cushion

## IMPORTANT NOTE

This product is made of sturdy, high quality aluminum and will provide years of enjoyment. Do not use power tools to assemble and only tighten bolts until they are snug. Over tightening can cause damage to the aluminum.

Carefully remove all the parts from the carton and put them individually on a soft cloth to prevent scratches or other damages occurring to the parts.

We have taken great care in the design of this product and request that you carefully and strictly follow our assembly instructions to ensure a completed product as it was designed.
