

MagniStretch® 12

MAGNISTRETCH® COLLECTION

Spinal decompression with balanced support.

MagniStretch® 12 features patented MagniStretch® technology that gently stretches the spine, supports circulation, and provides balanced ergonomic alignment throughout the night. Dual layers of Elioform® respond to natural body movement, promoting gradual decompression. The thermoregulating Outlast® cover, combined with Memoform® and hypoallergenic fiber, delivers a comfortable medium feel with both supportive and therapeutic benefits.
