

# Assembly Instruction

## PARTS LIST

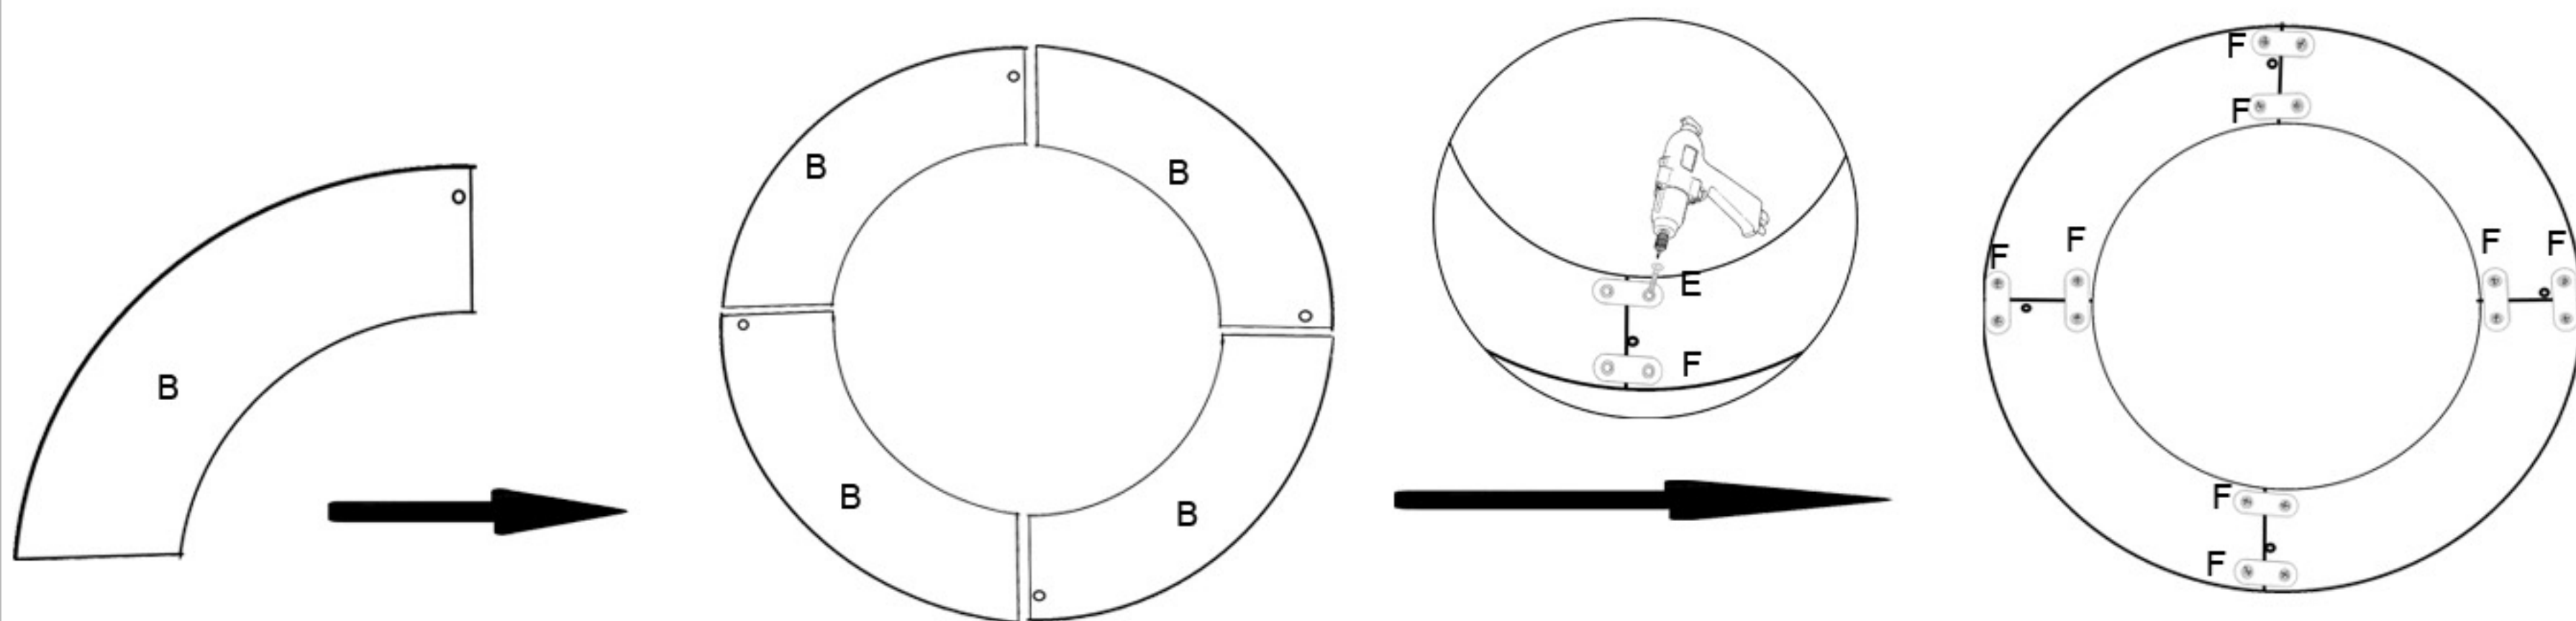

A		Round Chair	1 PC
---	---	-------------	------

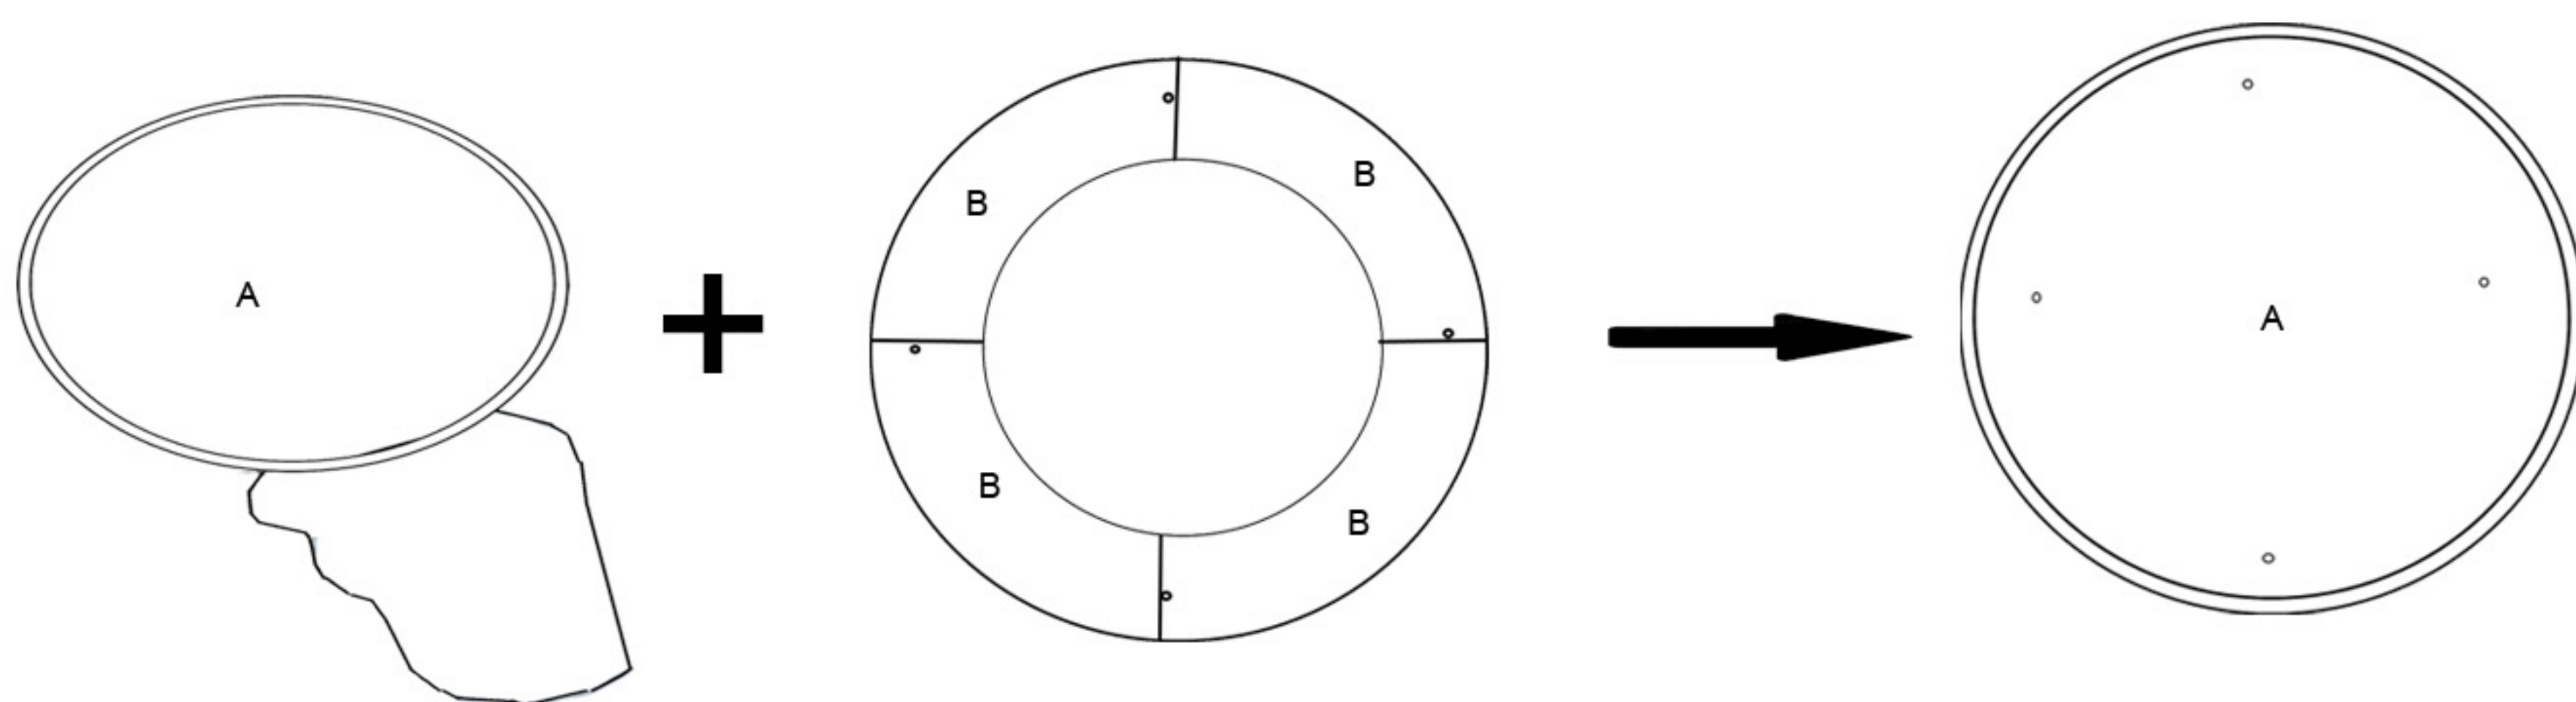

B		Wooden Base	4 PCS
C		Turntable	1 PC
D		Screw	4 PCS
F		Link Block	8 PCS
E		Screw	16 PCS

**Step 1:** Connect 4 pieces of wood with a link block to form a round board base. (Please note: link block close to the edge of the board.)

**Step2** Open the lower zipper of the foam chair, insert the circular wooden base into the foam, inspect the alignment of the holes between the fabric and the wooden base, and secure the zipper. (Please ensure that the lock link block panel is overlaid with the foam.)

**Step3** Attach the telescopic iron frame to the round turntable. (Adjust the enlarged circular diameter to 44.88 inches and secure the adjacent screw.)  
Secure the turntable to the base of the foam chair.
