

MITYLITE[®]

VITA OUTDOOR PRODUCTS

Azalea & Flora

The new **Vita Family** features a line of commercial-grade outdoor furniture including chairs, barstools, and tables. The products are designed with materials guaranteed to offer extreme durability in damp and humid environments. The chairs and tables are made using 100% recycled steel that is both rust-resistant and UV-resistant. The design of the products ensures there will never be standing water on the seats or tabletops.

Products include the **Azalea Arm Chair**, **Azalea Side Chair**, **Azalea Barstool**, and **Flora Table**.

PRODUCT LINE BENEFITS

- Galvanized steel frame with a corrosion-resistant undercoat
- Rust- & UV-resistant powder coating
- 100%-recycled steel frame & surface
- Designed to ensure there will be no standing water on the surfaces

STANDARD FINISH

ANTHRACITE
