Parts: pages 3-5 | Assembly: pages 7-17 | Care: page 18

READ FIRST

Before You Begin

01 Lay out all panels and hardware. Match them to the parts list before starting. Do not assemble with missing or damaged parts.

02 Work on a clean, soft surface to protect the finish. Use two adults when moving or turning the assembled furniture.

03 Keep children and pets away from the work area. Small hardware and packaging should be kept out of reach.

04 Start bolts by hand. Use hand tools and avoid overtightening. Check the illustrated orientation before securing each connection.

PARTS CHECKLIST

Check the Bench Parts

15 part numbers, 18 panels in total. Match each number before starting.

PART	DESCRIPTION	QTY
1	Left Box - Left Side	1
2	Left Box - Right Side	1
3	Seat Panel	2
4	Bottom Panel	2
5	Left Front Panel	1
6	Divider Panel	2
7	Left Back Panel	1
8	Center Seat Panel	1
9	Left Corner Support	1
10	Right Corner Support	1
11	Center Bottom Panel	1
12	Right Box - Left Side	1
13	Right Box - Right Side	1
14	Right Front Panel	1
15	Right Back Panel	1

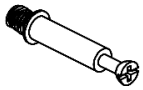

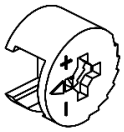

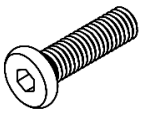

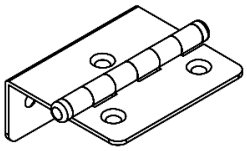

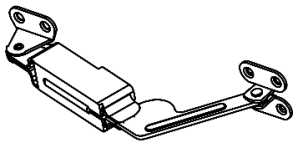

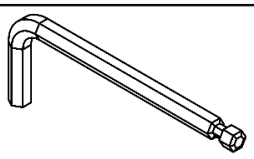

SORT BEFORE STARTING

Keep the left and right storage-box components in separate groups.

HARDWARE CHECKLIST

Check the Hardware

1. Check each hardware letter and quantity before assembly.
2. Quantities include one spare each of A, B, C, D and F.

ITEM	DESCRIPTION	PART	QTY
A	Camlock bolt		13
B	Camlock		13
C	Wooden dowel	 ϕ8*30mm	33
D	Bolt	 1/4″*1″	27
E	Hinge		6
F	Screw	 ϕ3*12mm	47
G	Long Hinge		2
H	Allen Wrench		1

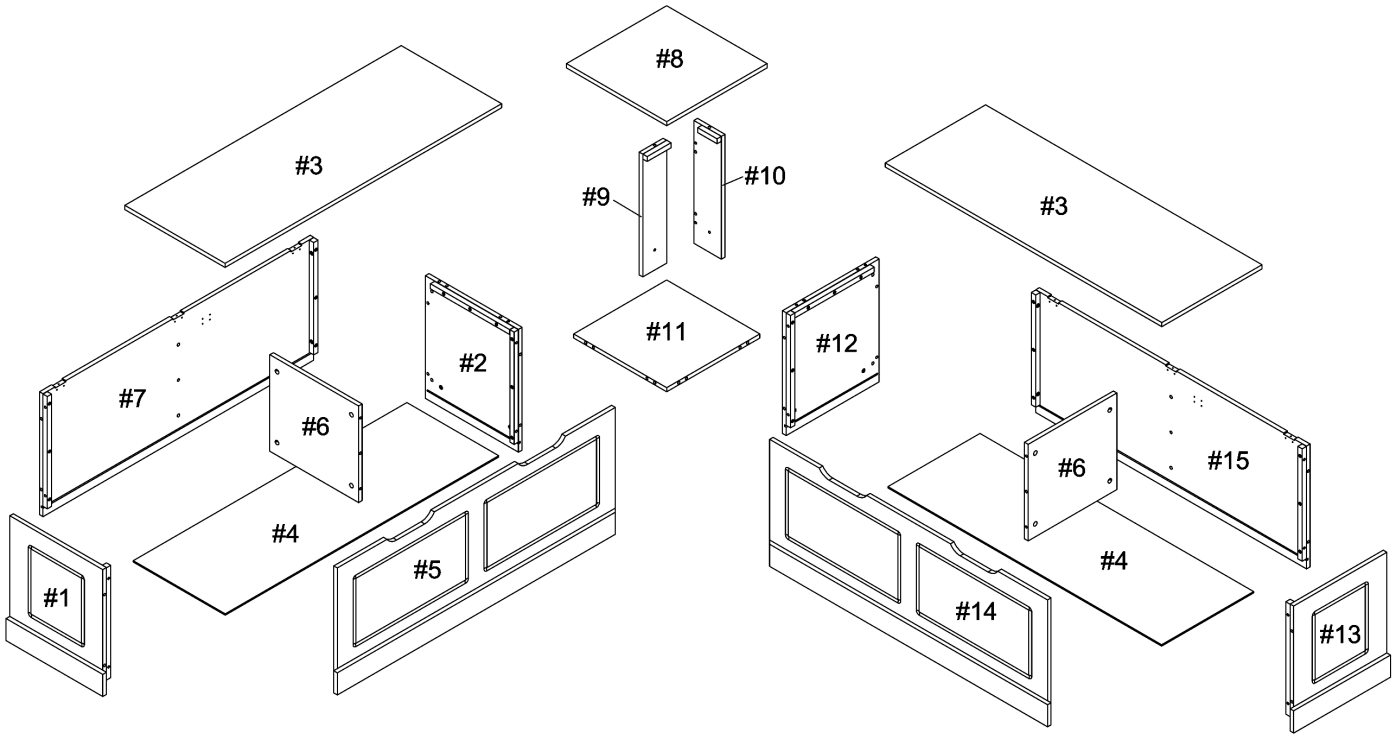

KEEP IN MIND

G is the lid support. H is the included Allen wrench; reuse it throughout assembly.

PARTS OVERVIEW

Identify the Panels

1. Use the numbered drawing to identify each panel.
2. There are two seat panels 3, two bottom panels 4, and two divider panels 6.

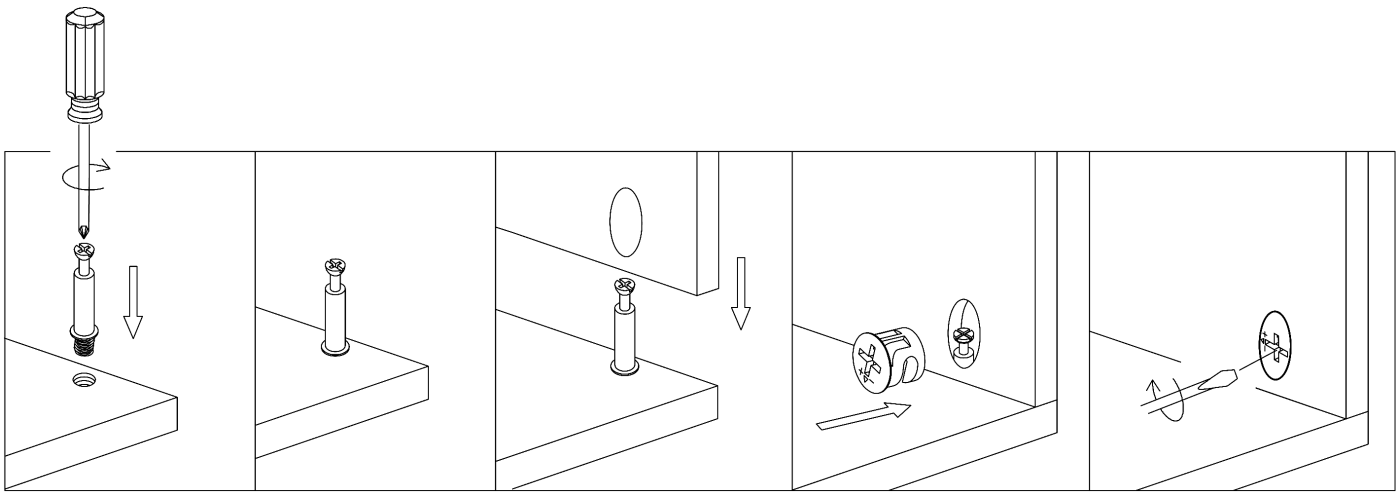

KEEP IN MIND

Keep the left and right storage-box parts in separate groups.

ASSEMBLY BASICS

How to Use Cam Locks

1. Screw the cam bolt into its hole.
2. Point the cam-lock opening toward the bolt and join the panels.
3. Turn the cam clockwise until snug. Do not overtighten.

KEEP IN MIND

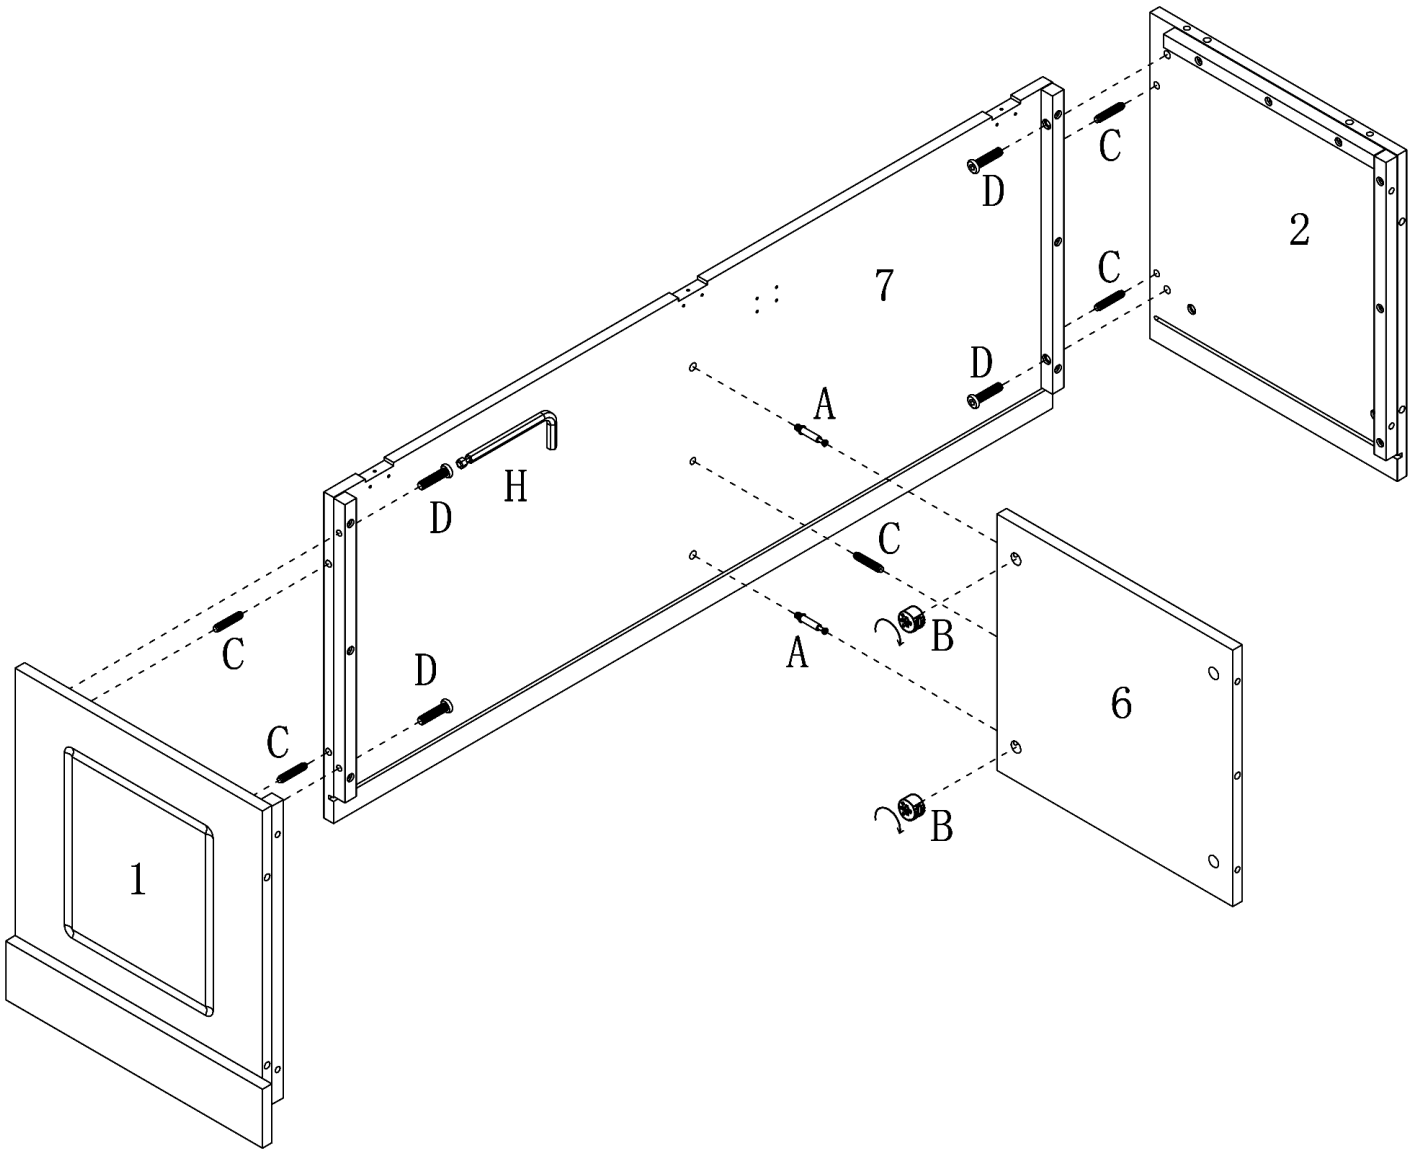

Use a Phillips screwdriver, a flathead screwdriver and a soft mallet as needed. These tools are not included.

STEP

01 Assemble the Left Back & Sides

1. Join panels 1 and 2 to back panel 7 with C dowels and D bolts.
2. Secure divider 6 with A cam bolts and B cam locks as shown.

A × 2 | B × 2 | C × 5 | D × 4 | Hex key H

ASSEMBLY CHECK

Keep the grooves aligned so the bottom panel can slide into place in the next step.

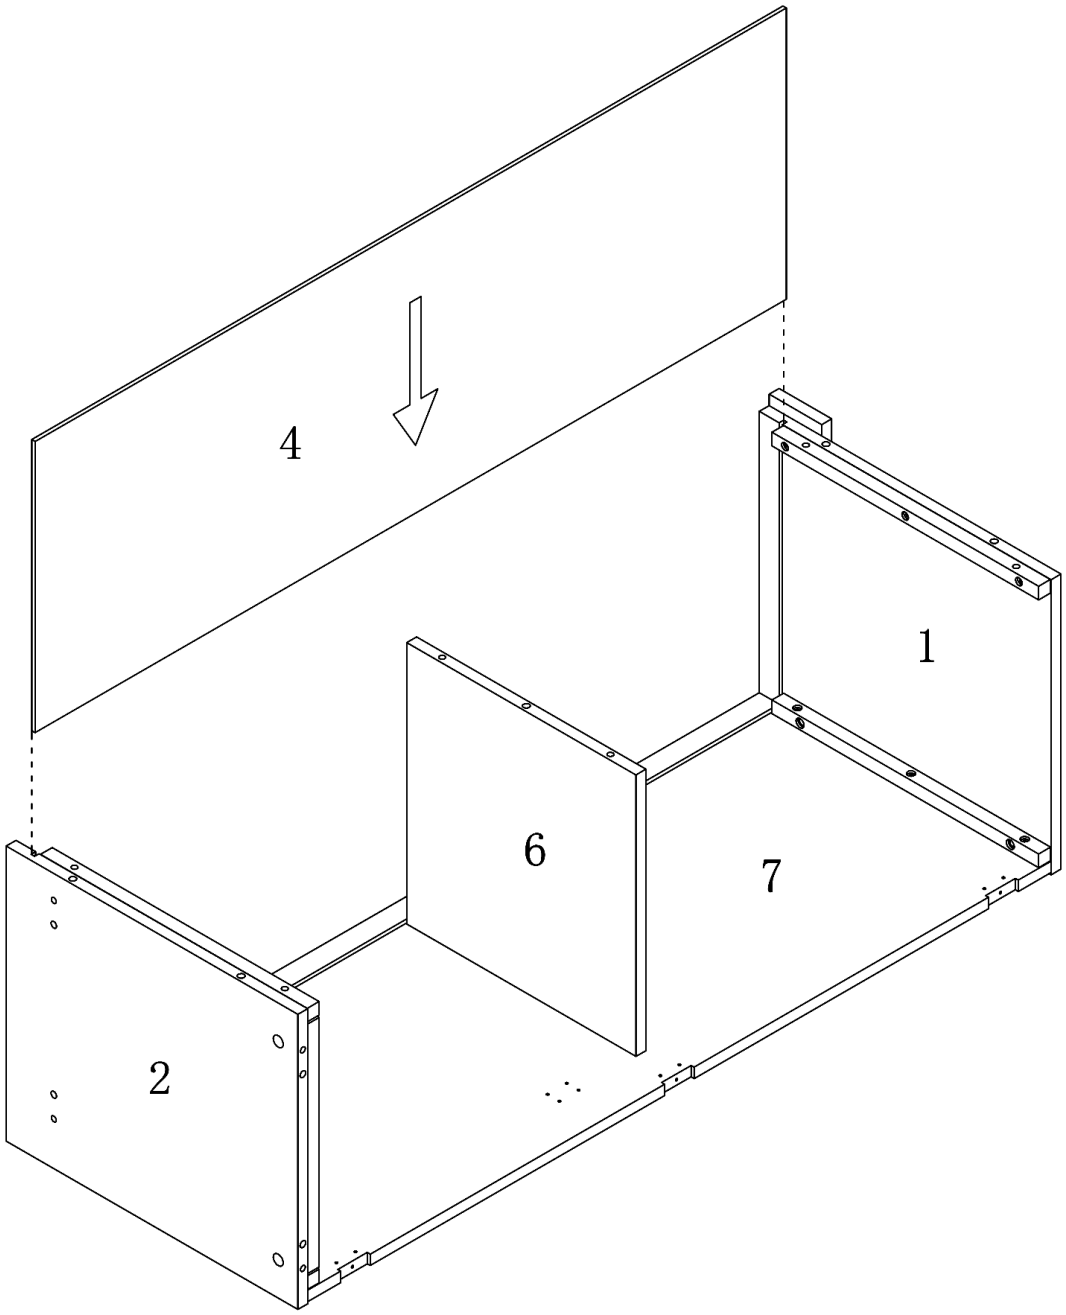

02

STEP

Insert the Left Bottom Panel

1. Slide bottom panel 4 into the grooves in the assembled frame.
2. Keep the panel fully seated in the grooves.

Part 4 × 1: left bottom panel

ASSEMBLY CHECK

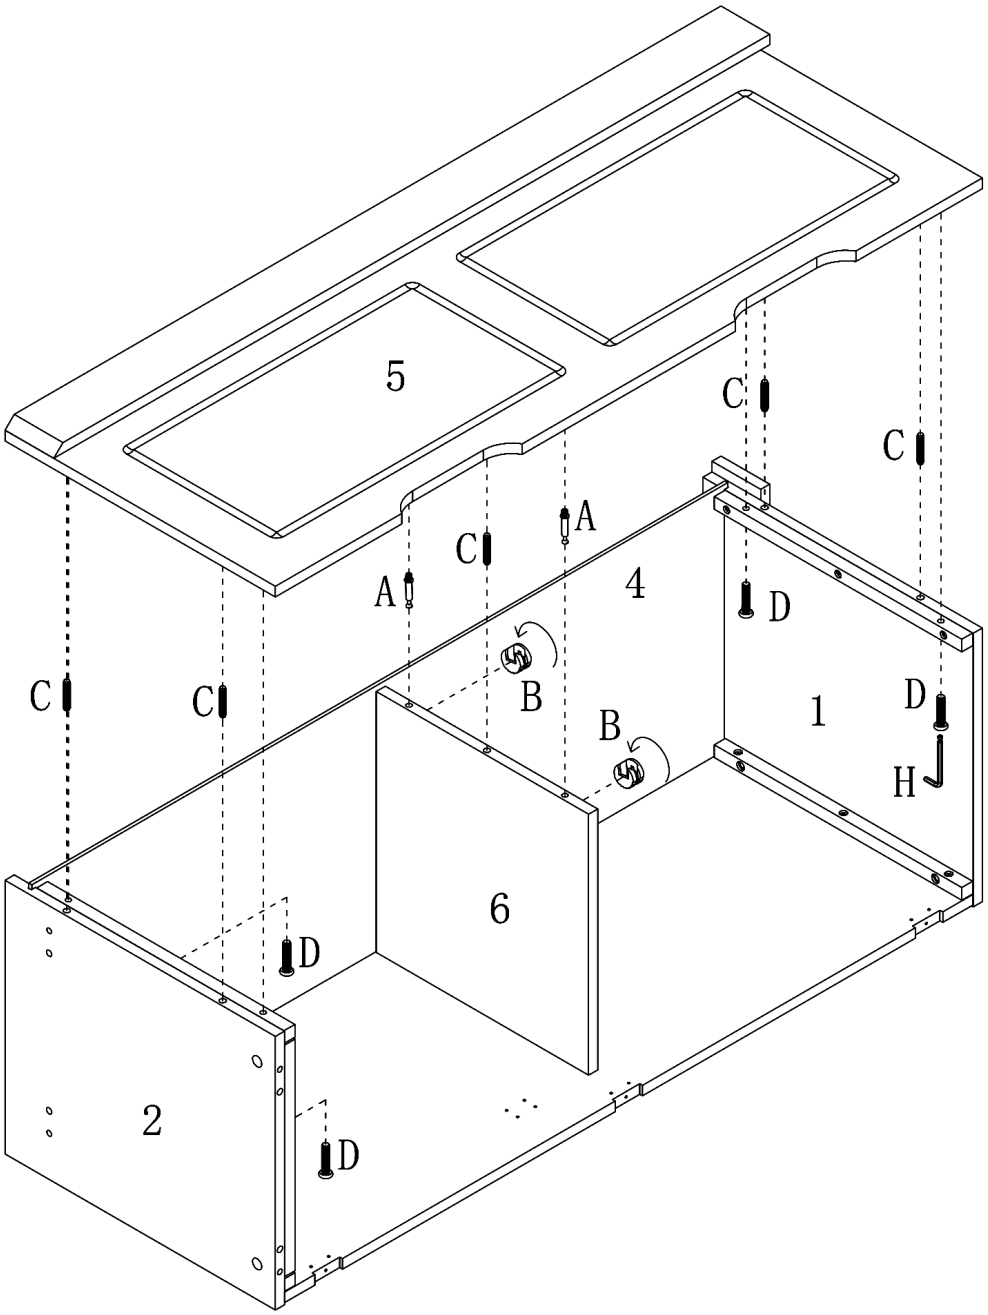

The bottom panel must sit in the grooves before the front panel is fitted.

STEP

03 Attach the Left Front Panel

1. Align front panel 5 with the dowels and cam bolts.
2. Keep bottom panel 4 in its groove, then secure the joints as shown.

A × 2 | B × 2 | C × 5 | D × 4 | Hex key H

ASSEMBLY CHECK

Align all dowels and cam bolts before tightening. Keep the bottom panel in its groove.

STEP

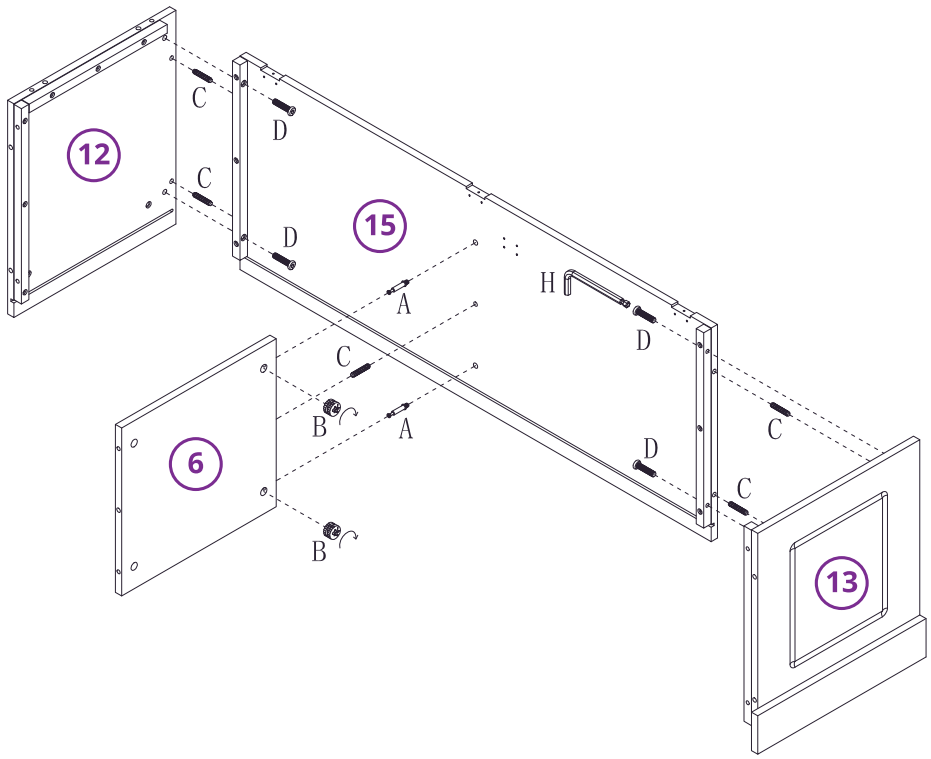

04 Assemble the Right Back & Sides

1. Join panels 12 and 13 to back panel 15 with C dowels and D bolts.
2. Secure divider 6 with A cam bolts and B cam locks as shown.

A × 2 | B × 2 | C × 5 | D × 4 | Hex key H

RIGHT STORAGE BOX

Match the drilled edges and panel orientation.

01 / BACK + SIDES

Back panel 15

Side panels 12 + 13

Use C dowels and D bolts.

02 / DIVIDER

Divider panel 6

Use A cam bolts and B cam locks.

TOTAL FOR THIS STEP

A × 2 | B × 2

C × 5 | D × 4

Use hex key H.

ASSEMBLY CHECK

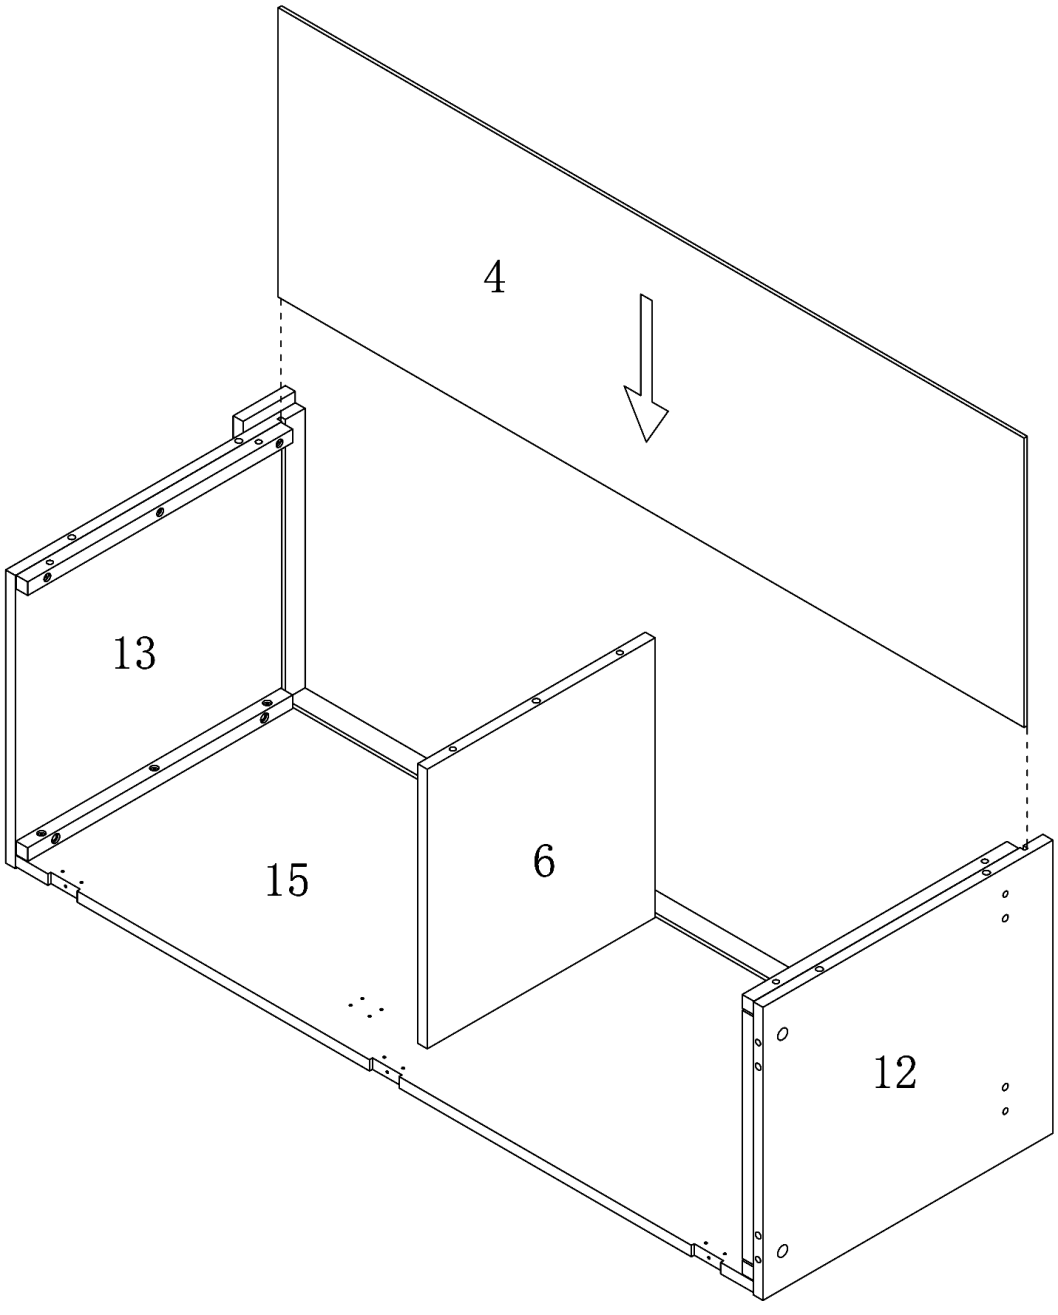

Use right back panel 15. Match the side-panel orientation shown.

STEP

05 Insert the Right Bottom Panel

1. Slide the second bottom panel 4 into the grooves.
2. Keep the panel fully seated.

Part 4 × 1: right bottom panel

ASSEMBLY CHECK

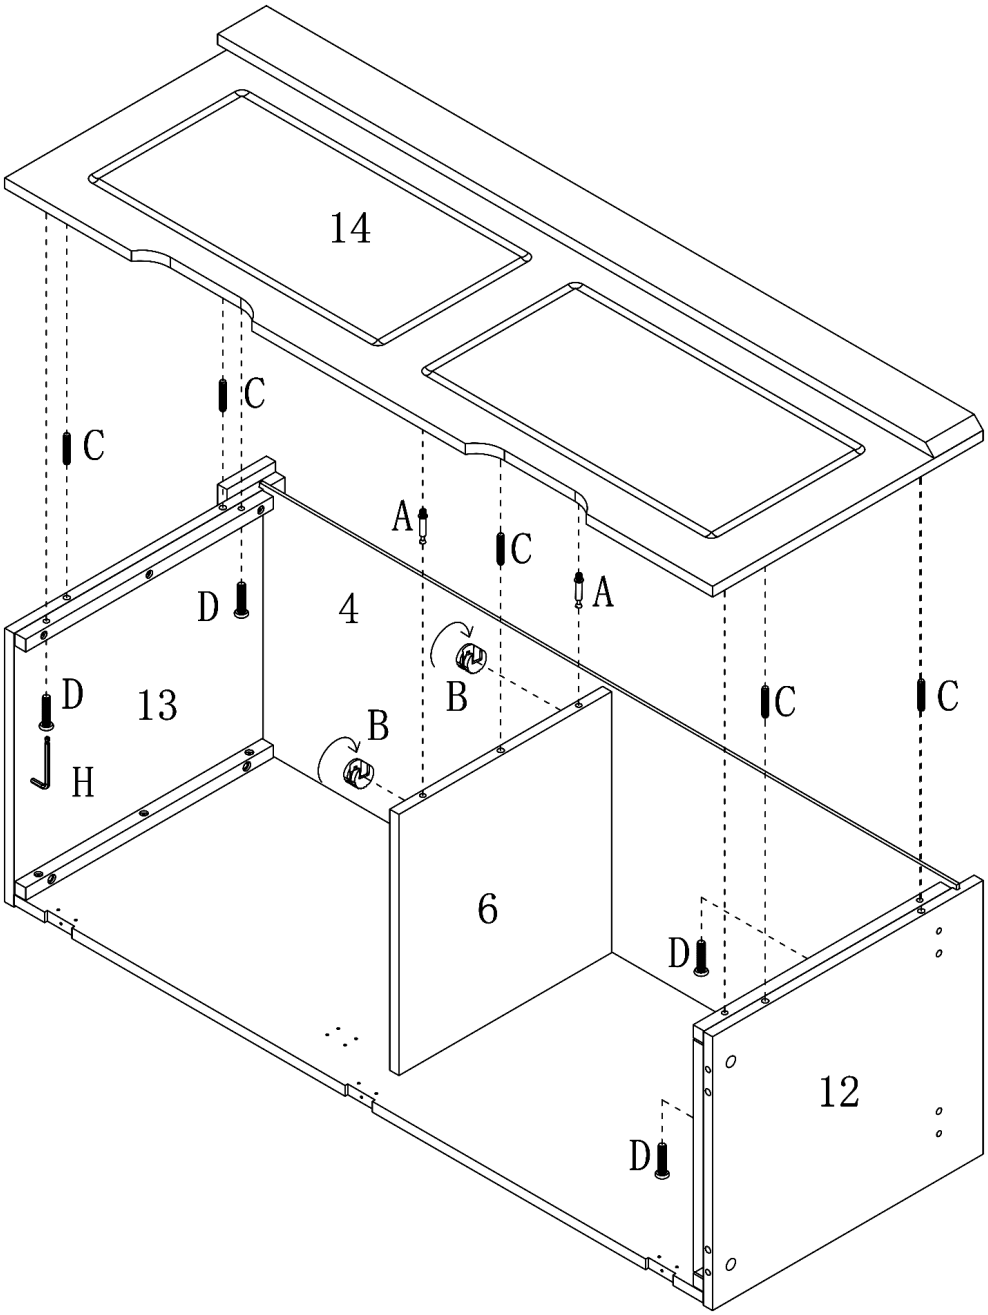

Make sure the second bottom panel is fully seated in both grooves.

STEP

06 Attach the Right Front Panel

1. Align front panel 14 with the dowels and cam bolts.
2. Keep bottom panel 4 in its groove, then secure the joints as shown.

A × 2 | B × 2 | C × 5 | D × 4 | Hex key H

ASSEMBLY CHECK

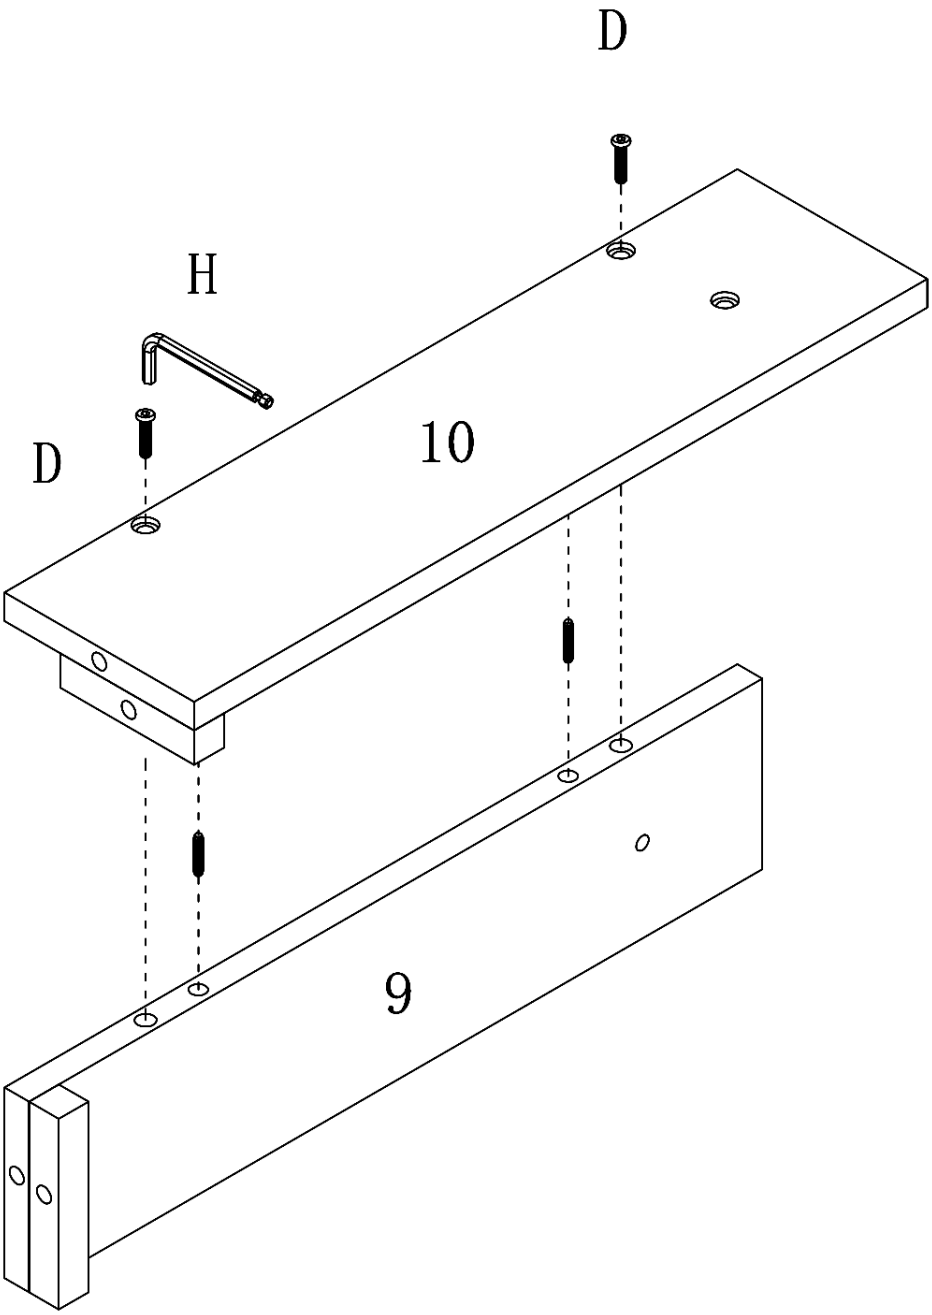

Align all dowels and cam bolts before tightening. Keep the bottom panel in its groove.

STEP

07 Join the Corner Supports

1. Join supports 9 and 10 with 2 C dowels and 2 D bolts.
2. Match the orientation shown.

C × 2 | D × 2 | Hex key H

ASSEMBLY CHECK

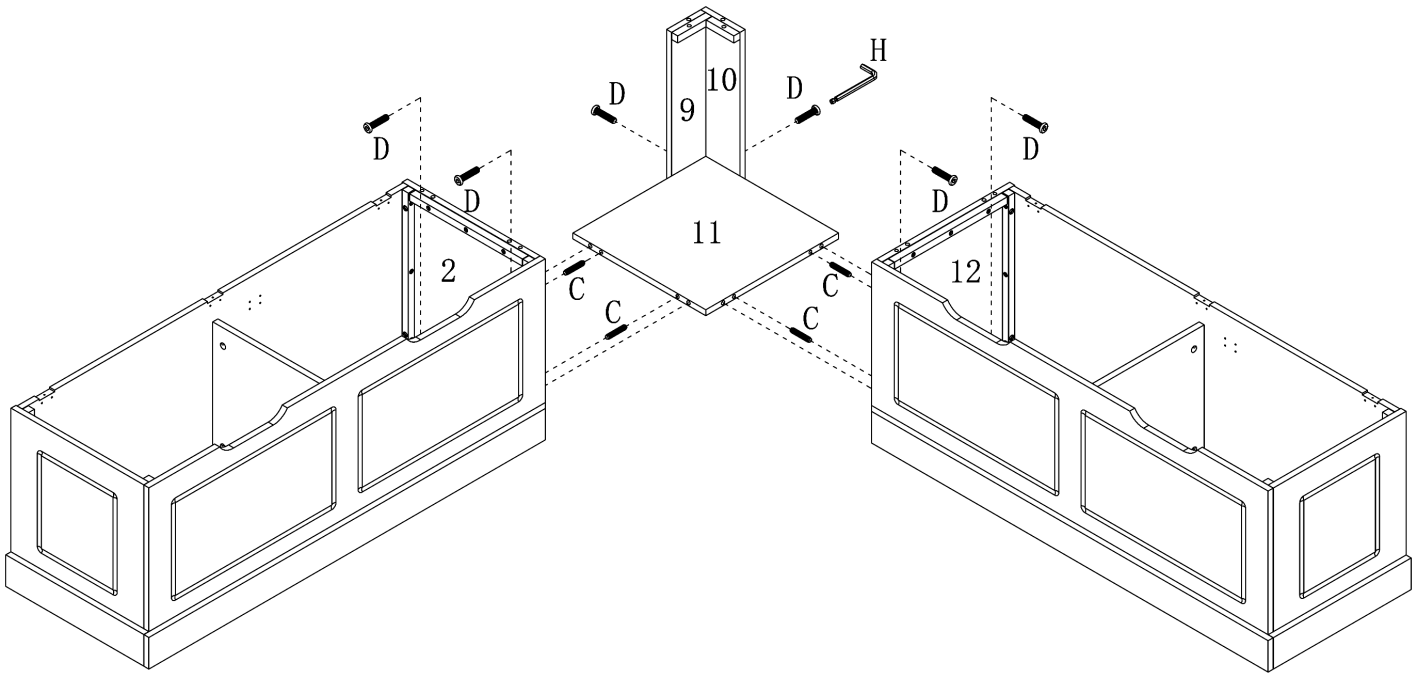

Match the drilled holes and orientation shown before tightening the bolts.

STEP

08 Connect Both Storage Boxes

1. Position center bottom panel 11 between inner side panels 2 and 12.
2. Join the boxes and corner supports with 4 C dowels and 6 D bolts.

C × 4 | D × 6 | Hex key H

ASSEMBLY CHECK

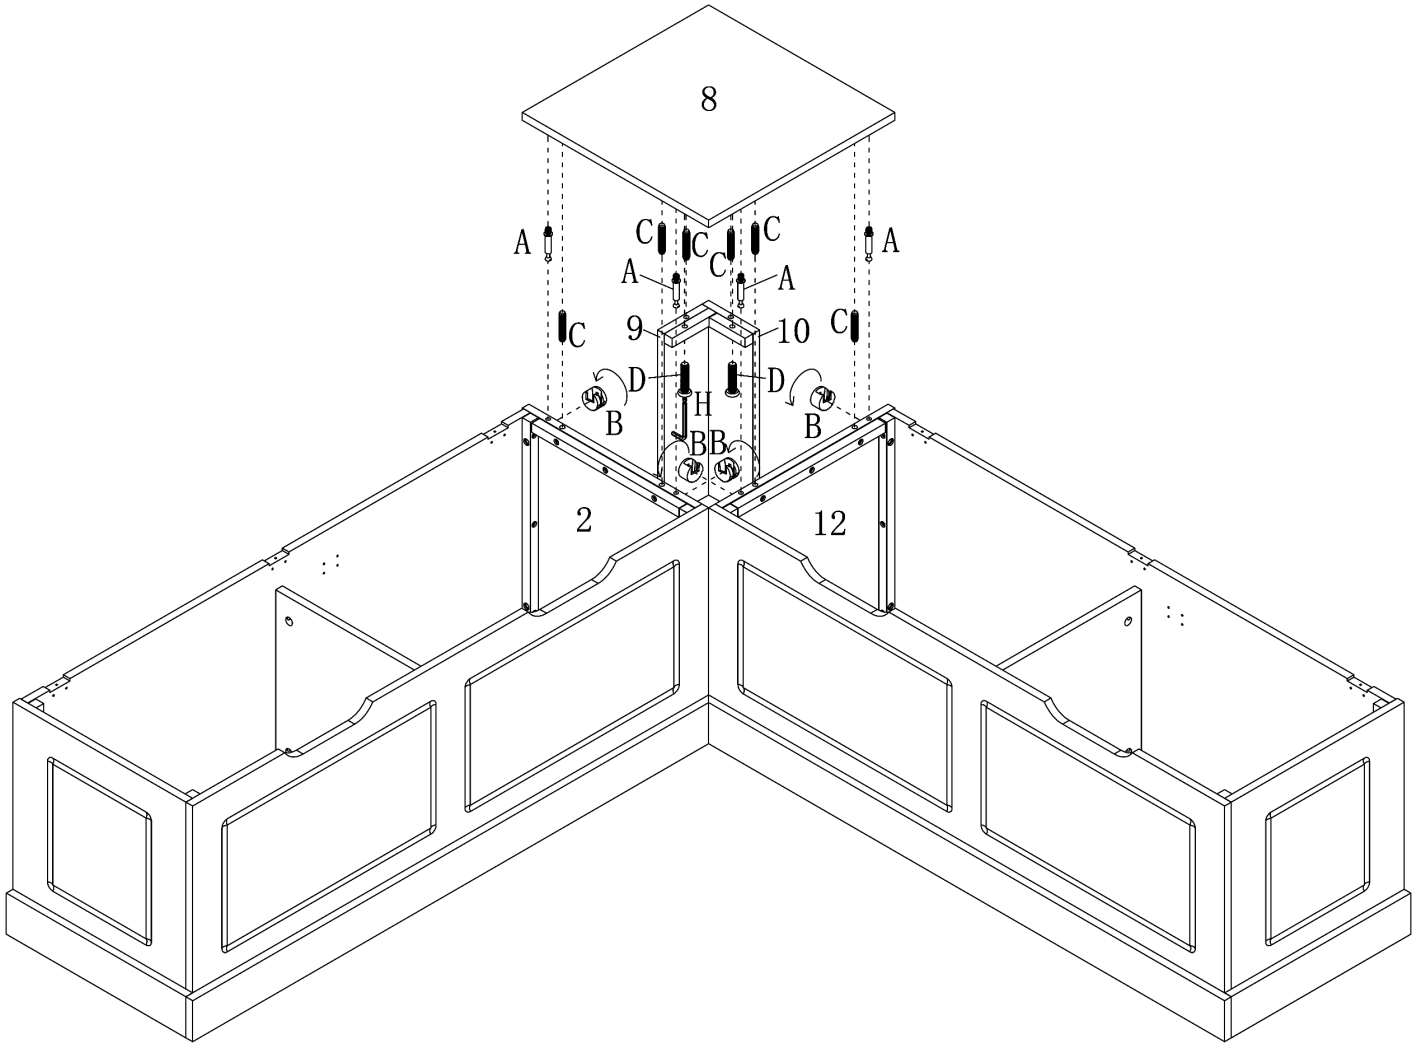

Use two adults to position the boxes. Align the corner parts before securing the joints.

STEP

09 Attach the Center Seat

1. Align center seat panel 8 with the dowels and cam bolts.
2. Secure it using the B cam locks and D bolts shown.

A × 4 | B × 4 | C × 6 | D × 2 | Hex key H

ASSEMBLY CHECK

Seat panel 8 fits the center corner. Align all fittings before tightening.

STEP

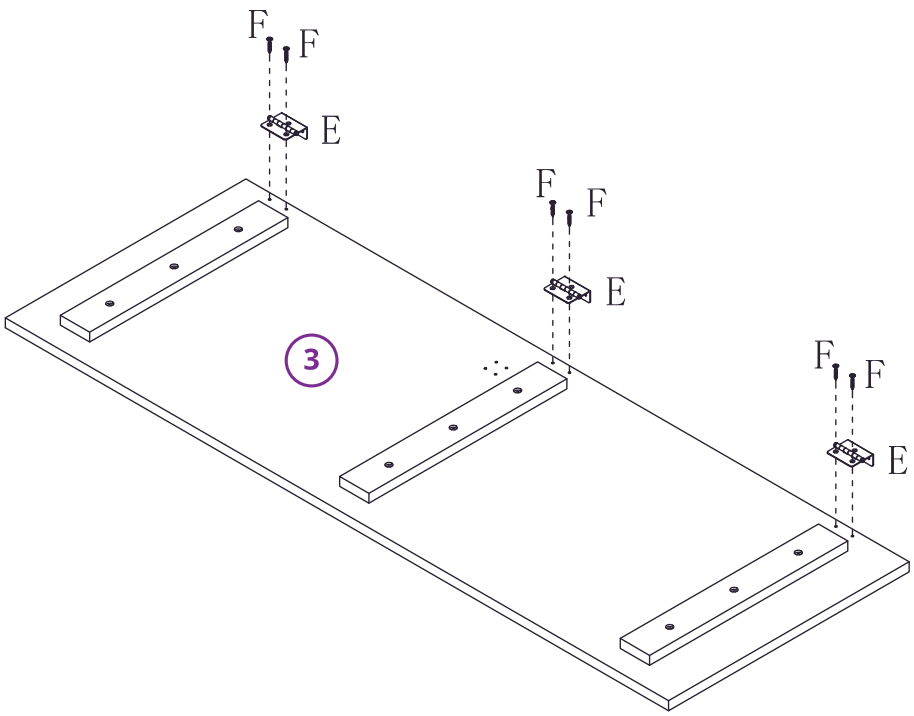

10 Fit Hinges to Both Seat Panels

1. Attach 3 E hinges to each seat panel 3 using 6 F screws per panel.
2. Repeat for the second panel. Listed quantities are the total for both panels.

BOTH SEATS TOTAL | E × 6 | F × 12

ONE SEAT PANEL SHOWN

Repeat for the second seat panel.

PER SEAT PANEL

E × 3 hinges

F × 6 screws

Two screws per hinge.

BOTH SEATS

E × 6 hinges

F × 12 screws

These are the step totals.

ASSEMBLY CHECK

Use 3 hinges E and 6 screws F per seat. Do not double the listed totals.

STEP

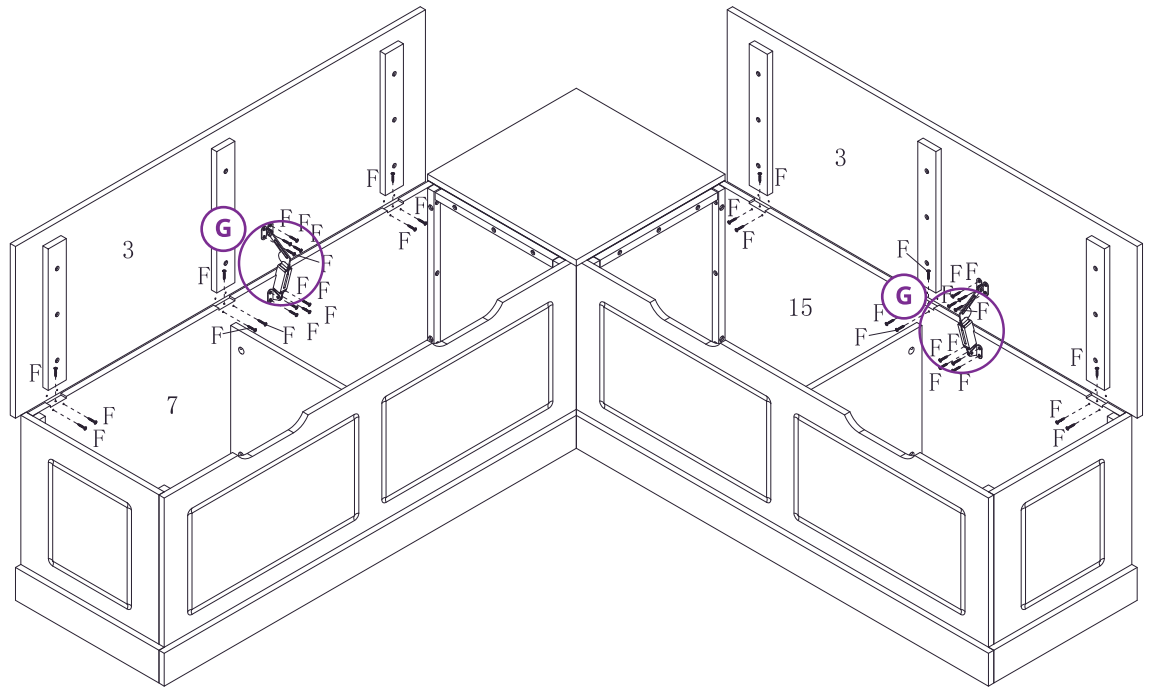

11 Attach the Seats & Lid Supports

1. Attach the hinged seat panels to back panels 7 and 15.
2. Install one G lid support on each storage box as shown; use 34 F screws in total for this step.
3. Support each lid while attaching the hardware. Test slowly and keep fingers clear of the hinges.

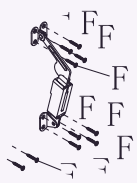

F × 34 total | G × 2: lid supports

HINGED SEATS + LID SUPPORTS

Support each lid while fastening its hardware.

LEFT SUPPORT / DETAIL

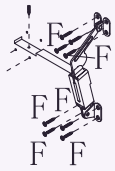

G × 2 total

One support per storage box.

Follow the mounting positions in the main view.

RIGHT SUPPORT / DETAIL

F × 34 total

For the seat hinges and both supports.

Test both lids slowly before use.

ASSEMBLY CHECK

Support each lid during installation. Test slowly and keep fingers clear of the hinges and closing lids.

READY TO USE

Final Check and Care

01 Check all joints and fasteners before using the bench. Recheck them periodically and tighten any that have loosened.

02 Open and close each lid slowly. Both hinges and lid supports must be securely attached. Keep fingers clear of moving hardware and closing lids.

03 Do not stand or climb on the bench. Do not allow children to play inside the storage compartments.

04 Use two adults when moving the assembled bench. Lift it rather than dragging it across the floor.

05 Clean with a soft cloth. Avoid abrasive cleaners and wipe up spills promptly.

06 For assembly help, contact loojanehome@163.com with your order details, the part number and a photo.
