

ASSEMBLY INSTRUCTIONS

Console Table

NOTE TO CUSTOMERS:

- For ease and speed of assemble we recommend that before you commence each step of the assembly that you identify all the parts required to complete that step.
- We recommend that where possible you allow sufficient space to assemble the item as close as possible to the place where it will be once assembled.
- For the protection of your furniture we recommend that the product is placed on protected surfaces during assembly to prevent any damage.
- During assembly do not over tighten, as this may damage the product.
- Please ensure you retain all the product packaging until the item completely assembled.
- Please periodically check all fittings and re-tighten as necessary.
- Never allow any liquids to remain on your furniture as absorption can cause the wood to warp or the finish to de-laminate.
- It is recommended that this item should be assembled by two adults.

WARNING:

**Serious or fatal crushing injuries can occur from furniture tip-over.
To help prevent tip-over:**

- Place heaviest item in the lowest drawers.
- Unless specifically designed to accommodate, do not set TVs or other heavy objects on top of this product.
- Never allow children to climb or hang on drawers, doors or shelves.
- Never open more than one drawer at a time.(OR)
- Do not defeat or remove the drawer interlock system.

Use of tip-over restraints may only reduce, but not eliminate the risk of tip-over.
