

Balancing exquisite design with timeless appeal, the Collection boasts superior quality manufacturing and attention to detail. Every piece is both beautifully proportioned and uniquely styled, effortlessly blending the finest materials with cutting-edge technology and intricate craftsmanship. The result is a selection of exceptional ranges for those with discerning taste.

This dining is a striking example of a sturdy, versatile and stylish casual dining range that is beautifully made using rustic American solid oak and veneers in a rich oiled finish. Central to the dining table options is one that is cleverly engineered to store two leaves, allowing up to 10 seating positions when fully extended. Create your own distinctive look with the choice of either classic "X" back wooden chairs or beautifully stitched and buttoned upholstered chairs with studded detail in either vintage tan or espresso faux leathers. Quality touches such as bespoke handles, classically styled turned legs and Blum soft-closing drawer runners finally defines this modern update on a timeless classic.
