

CLMTVA1044

FULL MOTION LARGE PILLAR TV MOUNT

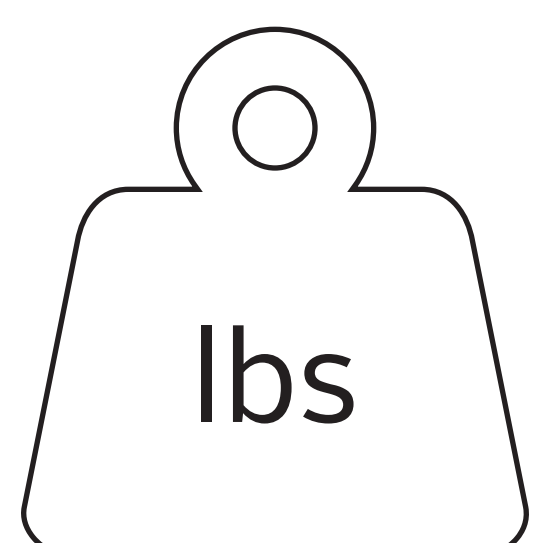

This innovative mount employs the cutting-edge SLOTGRIP TECHNOLOGY, making installation quick and effortless. Experience full-motion capability, guaranteeing a safe and secure 360-degree movement, while the inclusion of polymer padding prevents any unsightly surface marks.

Tailored for large pillars, it not only preserves the structural integrity of the construction column but also offers versatile positioning for both landscape and portrait orientations. Elevate your upscale home or contemporary workspace with the most straightforward, drill-free column TV mounting solution available on the market.
