## Product Features

- [Reversible and Quiet Motor] This retro ceiling fan features a reversible motor in order to allow you to use it in summer and winter. Through wind direction adjustment device, the blades will rotate clockwise or reversion so that it can generate a cool breeze or distribute heat evenly through the room. Likewise, the quiet operation prevents disturbing others.
- [Convenient Remote Control] This indoor ceiling fan includes a remote control, bringing great convenience for you to operate. There are 1H/2H/4H/8H timer and 3 wind speeds (low/medium/high) for you to select so that you can easily find the appropriate mode for working or sleeping.
- [Dual-Finishes Blades] Featuring different finish on each side of the blade, this home ceiling fan allows you to choose your favorite side. One side has black grape finish, and the other side comes with black grape finish. Hence, you are able to pick the suitable side based on your home d茅corate
- Rod: 2 downrods with different heights (5鈱/10鈱).
