

SM2700

The SM2700 features a lightweight, portable design, yet with a full set of built-in sewing features and included accessories. Perfect for beginner to more advanced sewers, it offers the versatility of 27 built-in stitches, with 63 stitch functions. Included are blind hem, decorative and quilting stitches, and an automatic, one-step buttonholer. Included are 6 included quick-change sewing presser feet: buttonhole, zipper, button sewing, zigzag, narrow hemmer and blind stitch feet. Designed for ease of use, this model comes with a built-in easy needle threader, jam-resistant Quick-Set™ top drop-in bobbin, and an automatic bobbin winding system. Includes instructional DVD and English and Spanish user manual.

- 27 unique built-in stitches, including one 1-step auto-size buttonhole
- 63 stitch functions
- Brightly lit LED work area
