

Strobel Organic Winners Collection Softside Waterbeds

Beds named after Kentucky Derby Winning Horses

Deep Fill

- Our Deep Fill softsides feature our 6" square rails system. Includes Strobel Hydro Support 1200 Patented Double Wall Leak-Proof watermattresses with Feathertop pressure reduction surface.
- Solid State Heater with Temperature Controller.
- Organic Cotton Stretch Cover gives no thick quilted padding or toxic chemical laden fire barrier next to your skin
- Our Naked No Cover Option is the most economical option and allows you to use your own mattress pad/cover.
- Others include our Organic Cotton Cover and Choice of Pillowtop

Extra Deep Fill - With K-Rail

Our unique K-Rail system gives the best sitting and sleeping edge. When you sit or sleep you do not roll into the edge like other systems, you stay on top of the water for the best transition. With its Polymer Band reinforcement and multi firmness/density foams it is engineered to hold the water with minimal deflection. True 8.5" fill depth like wood hardside frames gives maximum water support and comfort.

- Our Extra Deep Fill softsides feature our K-Rail system. Includes Hydro Support 1800 Patented Double Wall Leak-Proof watermattresses with Feathertop pressure reduction surface. Solid State Heater with Temperature Controller
- Organic Cotton Stretch Cover gives no thick quilted padding or toxic chemical laden fire barrier next to your skin
- Our Naked No Cover Option is the most economical option and allows you to use your own mattress pad/cover.
- Others include our Organic Cotton Cover and Choice of Pillowtop
