### MATTERS NEEDING ATTENTION

1. Before all parts are in place, do not over-tighten the screw.
2. In order to avoid giving you a bad installation experience, please follow the following steps in the installation instructions, and carefully distinguish between screws and boards.
3. To avoid choking hazards, please keep small parts and packaging materials away from children.
4. Adult assembly is required. Keep away from children during installation.
5. After the installation is completed, you can use cotton cloth to clean the board.
6. If you have any questions, please contact us, our email address is on the cover.
