

ASSEMBLY & INSTALLATION GUIDE

32-Inch French Empire Crystal Chandelier (21-27 Light Model)

CAUTION: This fixture is extremely heavy (Approx. 80 lbs). Ensure the ceiling outlet box is UL-listed and rated for heavy-duty support. Installation by a certified electrician is highly recommended.

I. Specifications

Diameter	32 Inches (80 cm)
Bulb Type	E12 Candelabra Base (Max 40W per bulb)
Material	K9 Precision Cut Crystal / Electroplated Steel

II. Installation Steps

Step 1: Mount the heavy-duty bracket to the ceiling junction box. Ensure all screws are tightened to support the frame's weight.

Step 2: Connect the wiring. Attach the Black (Live) and White (Neutral) wires to the house supply. Secure the Green (Ground) wire.

Step 3: Secure the main metal frame to the mounting bracket using the decorative nuts provided. Do not hang crystals yet.

Step 4: Install the light bulbs (E12). Test the light functionality before proceeding to crystal hanging.

III. Crystal Hanging Map

Crystals should be hung from the **Bottom Tier Upward** to maintain balance and prevent the frame from tilting.

- **Ring A (Outer/Bottom):** Large crystal pendants (Qty: 64)
- **Ring B (Middle):** Medium crystal beads (Qty: 48 strings)
- **Upper Section:** Fine crystal chains connecting the top crown to the main ring.
