Happy Ride™ FOLDING DOG RAMP

Let's give your buddy a leg up on adventure.

1

Unhook the safety latch and unfold the ramp.

2

Start with the ramp flat on the ground and offer treats to encourage your dog to walk across. Don't worry if your dog hesitates at first. We all need a little reassurance sometimes!

3

Set up the ramp on your vehicle with all four rubber feet resting on a stable surface. Offer treats to gently encourage your dog to practice walking up and down.

With a little patience and lots of praise, your dog will soon be happy using the ramp on his own!
