ADORNE COLLECTION DIMMER COMPATIBLITY CHART

Selecting a dimmer can seem complicated, but our dimmer compatability chart can help you find the right dimmer. First, find your bulb type. Not sure what bulb you have? Select an adorne Tru-Universal option that works with ANY bulb.

Then, customize your dimmer. Choose from a standard wired dimmer or Wi-Fi ready option, which allows you to control your lights from an app on your smartphone. Finally, select your favorite interface from our stylish choices - Paddle, Whisper, sofTap, Touch and Motion Sensor.
