

Assembly Instructions for Areca Palm

1. Unboxing: Open the box, untie the securing ropes, and remove the plant, pot, and accessories from the box.

2. Assembling the Plant: Attach the plant trunk to the leaves. Follow the reference diagram: match the S-size leaves, M-size leaves, and L-size leaves with their corresponding trunks
(Note: handle with care to avoid injury).

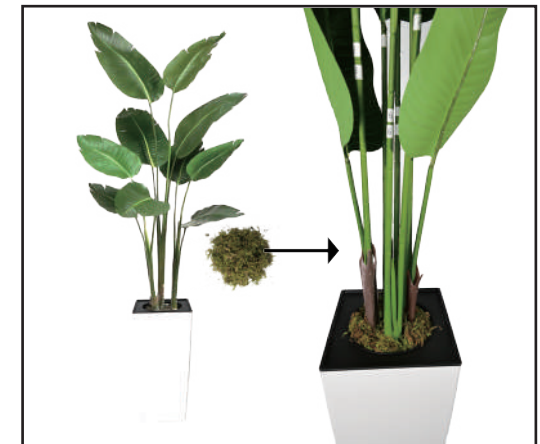

3. Adjusting the Branches: Adjust the branches to make the trunk and leaves look full and lush.

4. Assembling the Pot: Install the flower pot cover onto the flower pot according to the corresponding holes.

5. Enhancing Appearance: Install the plant into the corresponding hole on the flower pot.
(Adding sand or stones to the flower pot to improve the stability of the plant and prevent it from tipping over. Note: The package does not contain sand or stones inside).

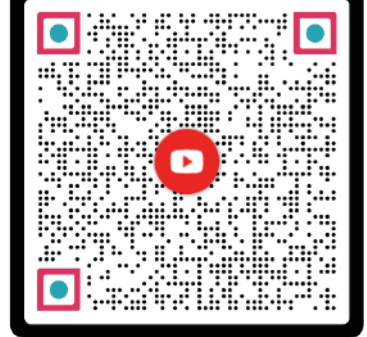

6. Decorating: You can buy moss according to your personal preference and spread it evenly on the flower pot to increase the beauty of the plant.
(Note: The package does not contain moss grass).
