

TRUE TERRAZZO ARGENTO BEIGE 16X16 POLISHED TERRAZZO TILE

Our True Terrazzo Argento Beige 16x16 Polished Terrazzo Tile has a light-gray cement base loaded with micro-sized natural stone chips in a mix of white, gray, peach, and russet. Natural variations in the stone size and coloring add to its beauty, while the large-format size allows for easy installation. Incredibly durable, it can withstand heavy wear, with inherent scratch and impact resistance.
