

Your satisfaction drives us to go above and beyond!

COMPRESS SOFA

Crafted for Comfort, Designed for Living.

USER MANUAL

1. Advice before you start assembling: The product is vacuum compressed, please read the instructions from beginning to end.

Save all packaging until you are finished.

Your sofa is packaged as a parcel. After receiving it, please open it as soon as possible and place it in a well-ventilated area.

CLEANING TIPS

Step 1

Apply a mixture of water and laundry detergent to the surface of the fabric.

Step 2

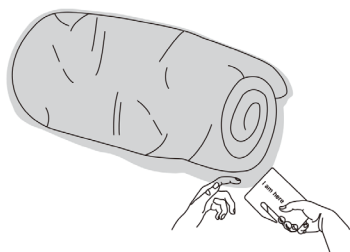

After about ten minutes, clean with a brush and let it dry naturally

Attention: Do not rub or wring with your hands

Notes before use:

- After receiving the sofa, please unpack it, and place the sofa in a well-ventilated place away from direct sunlight.
- Please wait patiently for 2-3 days for the sponge to fully recover.

INSTRUCTIONS

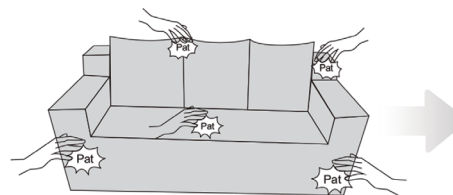

Step 1

When opening the package and removing its components, be careful not to damage the sofa when cutting the plastic

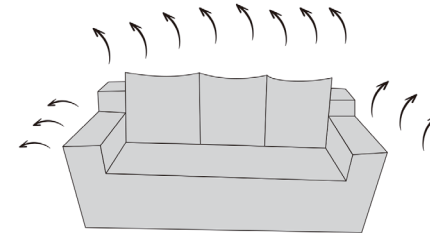

Step 2

Fully pat and shake the inner cushion for about 10 minutes sure foam evenly filled in the inner bag.

Step 3

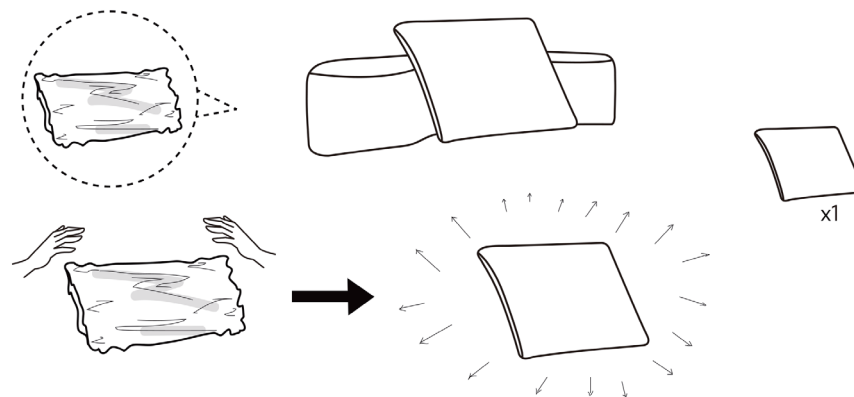

Place the sofa in an upright position, leave the inner cushion to expand for 72 hours. Pat and organize the outer shape of sofa.

Step 4

Do not use it immediately after opening, please leave it in a place with air circulation for 3 days to restore it to its best condition!

.....About the state of the cushion pillow

Pat it gently to make it bounce back better and fluffier. Knead the cushion like you're giving it a massage, allowing air to flow through the foam.
