Slim footprint. Serious storage.

The Duramax RidgeLine 10.5 x 3 turns narrow outdoor areas into practical, full-height storage. Its 35-inch exterior depth helps it fit beside a house, garage or fence, while 127.9 inches of width and a 60.6-inch-wide double-door opening make room for bicycles, garden equipment, outdoor gear and seasonal items. Metal-reinforced wall columns and roof supports, a 20.5 PSF snow-load rating, integrated ventilation and an included metal foundation kit add everyday confidence.
