## **Chandelier Installation and Instructions**

- 1. Be careful of electric shock. Turn off the power switch before installation.**
- 2. After removing the lamp stand and accessories from the packaging, assemble the lamp according to the lamp installation diagram.**
- 3. Connect the ground wire and install an E27-MAX 25W bulb. Do not exceed the rated voltage and wattage. Avoid damaging the lamp finish during installation.**
- 4. Do not use gasoline, thinner, or other volatile substances to clean the lamp or its electrical cords, or twist or twist the electrical cords arbitrarily to prevent deterioration of the lamp's electrical cords and the risk of fire or electric shock. Clean the lamp with a clean, soft cloth.**

**Your fixture is now assembled and ready to use.**
