The Drummond pouf is the ultimate in versatility, offering a spare seat or an extra surface anywhere you need it. Kiln-dried hardwood construction means this piece is made for durability.

The sleek drum shape places the fabric front-and-center — choose from a selection of cozy, textured upholstery options that each add a pop of personality. Special touches include a piped top edge and a handle (all the better for moving it to where you need it). Call it a power pouf, because this little piece is about to be your furniture MVP.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.
