PRODUCT PRECAUTIONS

For support or inquiries, contact service@u-pha.com

1. Before starting assembly, please check that all parts are included. Verify the components and hardware against the packing list. Do not attempt to assemble the product if any parts are missing or damaged.
For assistance, please contact: service@u-pha.com.
2. Some parts may have sharp edges. Wear protective gloves if necessary during assembly.
3. When using power tools, set them to the lowest speed to avoid damaging the parts.
4. Assemble all components strictly according to the instructions. Using improper tools or accessories, or incorrect assembly methods, may result in product failure or serious personal injury.
5. Assemble on a flat and soft surface (such as a carpet) to prevent scratches or damage.
6. Washers must be used if included.
7. Do not fully tighten any screws or nuts until all are properly in place.
8. If screws and holes do not align, loosen the tightened screws first, ensure all screws are aligned with holes and lightly fasten, then re-tighten in a diagonal sequence.

MAINTENANCE INSTRUCTIONS

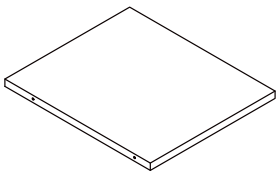

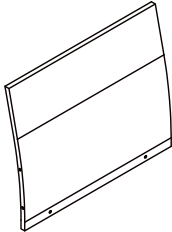

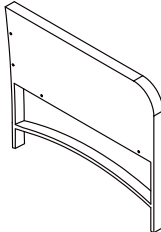

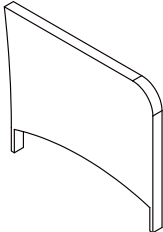

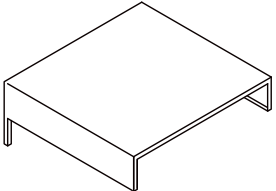

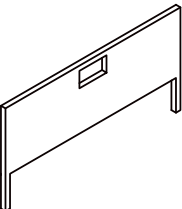

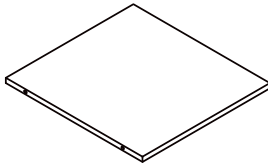

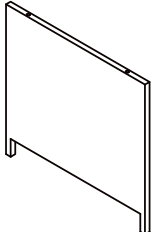

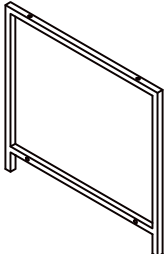

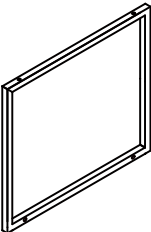

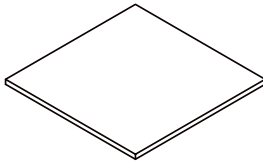

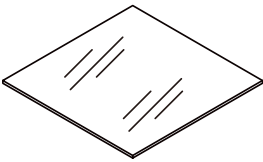

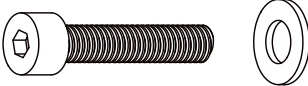

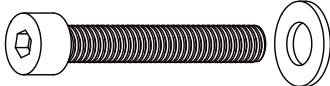

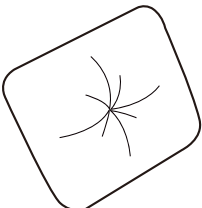

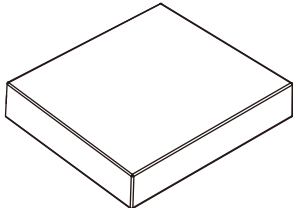

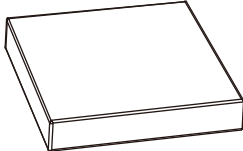

For support or inquiries, contact service@u-pha.com

1. Store in a dry, shaded place when not in use.
2. Keep away from fire sources, high temperatures, freezing conditions, and severe weather such as heavy rain, hail, snow accumulation, and strong winds.
Note: Metallic paint surfaces may peel due to climatic conditions.
3. Remove the sponge from the cushion before cleaning.
4. Fabric stains may be gently brushed with mild liquid soap. After stain removal, air-dry naturally. Avoid twisting to prevent fabric distortion.
Do not iron at high temperatures to prevent fading.
5. Wipe the frame with a damp cloth and allow it to air dry completely.
Removing accumulated grime effectively prevents mold growth.
6. Do not use abrasive materials, bleach, or solvents for cleaning.

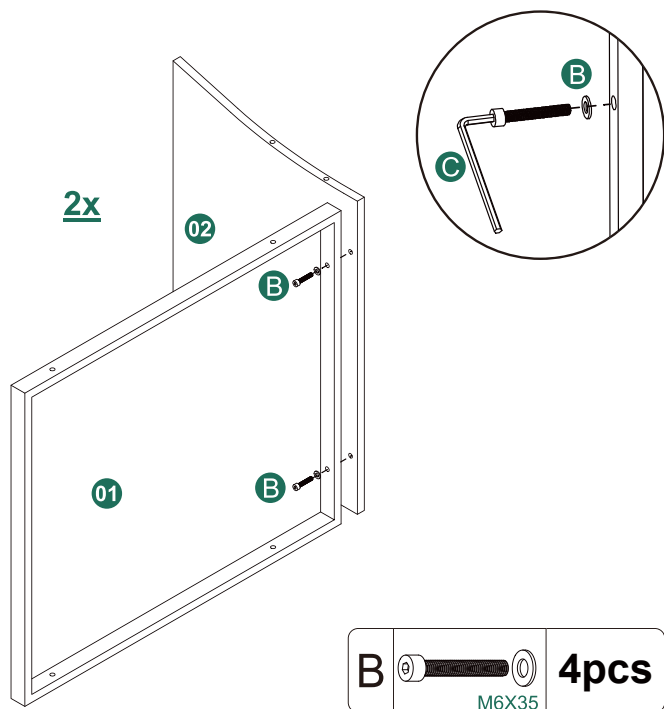

Please check whether the parts are in good condition before assembling .

Note: The hardware pack includes spare screws for use if needed.
