

VEVOR[®]

TOUGH TOOLS, HALF PRICE

Technical Support and E-Warranty Certificate www.vevor.com/support

BOAT SEATS

MODEL: AD75185/ AD75186/ AD75187C

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Warning - To reduce the risk of injury, user must read instructions manual carefully.

IMPORTANT SAFEGUARDS

- Read and understand this entire manual before assembling, installing, operating, or servicing this product. Failure to follow these warnings and instructions can cause death, personal injury or damage to valuable property.
- While assembling and using this product, keep work area clean and well lighted, and keep spectators and children out of the work area.
- Assemble only according to boat seat parameter. Improper assembly can create hazards.
- Use as intended only. Product capabilities apply to properly and completely assembled product only.
- Keep anyone not wearing the appropriate safety equipment away from the work area when assembly.
- Flammable: Keep away from open flame. This product will ignite and burn if brought into contact with an open flame.
- Keep away from sharp points, blades and other items, so as not to scratch the product.
- Control the boat seat, personal movement, and the work environment to avoid personal injury or damage to the tool.
- Do not operate any product when tired or under the influence of drugs, alcohol or medications.
- Do not overreach when operating the product. Proper balance enables better control in unexpected situations.
- Do NOT operate if any part is damaged or broken.
- Be careful not to trap fingers or hands in any of the moving parts when opening and closing the rolling boat seat.

PRODUCT INTRODUCTION

Note: The marked size is manual measurement, there will be deviation, please refer to the actual.

ASSEMBLY INSTRUCTIONS

Notice: When tightening screws, it is recommended to use electric or pneumatic power tools to easily complete the installation.

STEP 1:

20 bolts are pre installed before the product leaves the factory. Please remove these 20 bolts before installation and mark the position of the bolts before leaving the factory.

STEP 2:

Take out two hinges (two relatively symmetrical hinges should be taken), align the hinges on the seat cushion as shown in the diagram, and lock them with the original removed bolts.

STEP 3:

Align the hinge on the backrest as shown in the diagram and lock it with the original removed bolts.
