

Christmas Wreath and Garland with Pinecones, Berries, and Plaid Bows

Spruce up your holiday decor with this collection featuring pinecones, berries and plaid bows from Frasier Hill Farm. Whether you deck the halls indoors or outdoors, invest in quality decorations that will last year after year.

This wreath and garland feature lifelike needles that resemble natural, evergreen branches, bringing all the realistic charm of a live wreath, but durable enough for years of continued use. Made with flame-retardant and non-allergenic materials, this Christmas classic is the perfect alternative to the real thing. Each piece is accented with festive details like plaid bows, red berries, and pinecones. The wreath and garland can be purchased individually or as a set depending on your decorating needs. Hang them on your door and greet each guest with holiday cheer that will last from one season to the next.
