### **Assembly Recommendations**

We kindly recommend checking the components and accessories listed in the installation guide before beginning assembly. If you have purchased multiple products (we're happy to hear that!), we suggest completing the assembly of the first product before moving on to the second.

We recommend that you clean all parts with a slightly damp cloth before assembling the product.

Securing the furniture to the wall is highly recommended for your safety. Furniture tipovers can result in serious injuries or even fatal accidents. To prevent such risks, please ensure your furniture is securely fixed to the wall. Please note that fixing devices are not included in the package, as different wall types require different solutions. Use suitable fixing devices that you trust. If you are unsure which devices to use, we recommend consulting your local dealer for guidance. Do not undo or remove the drawer locking system.
