

Tote Collection Floor Lamp Black & Brass

From designer Steven Sabados of S&C, the Tote collection is a definite fashion trend for your home or office décor. The matte black metal shades are suspended to the wiring with leather straps. The interior of the shades have a super reflective white finish for maximum light functionality. Two finishing touches for this design are the polished nickel accents, and the textile black wiring coverings. What a stunning floor lamp. (This collection has several hanging pendant options)
