

Modular Sofa Assemble Instruction

MULTI-BOX SHIPPING NOTICE & INSPECTION PROTOCOL

- The sofa set is shipped in multiple separate boxes. Deliveries may occur on different dates. Do not unpack or begin assembly until all boxes have been received.
- Ensure that you have received all the boxes and check for defects or damage.

BEFORE BEGINNING ASSEMBLY

- Check Manuals: Refer to the parts list of the manuals to check all the contents. Read instructions cover to cover.
- Team up for safety: Two-person installation is recommended for handling large modules.
- Working Space: Clear your workspace and lay out components on a soft surface.
- Secure all fasteners: Ensure all connections are tight and the sofa is stable, especially with children or pets.
- Save your manual & packages: Keep digital or physical instructions for future reconfiguration or maintenance. Keep all the packages till assembly completed.

CONTACT US

- Contact the seller directly via your order and report the issue, providing relevant pictures. Our customer service team is standing by.

MAINTENANCE & CARE GUIDELINES

Friendly Reminder

Due to vacuum packaging, cushions may initially appear wrinkled.

- Give each cushion a few firm pats to help restore its shape.
- Allow up to 72 hours for wrinkles to naturally smooth out.

Maintenance Don'ts

- Avoid placing hot items directly on the surface.
- Do not use harsh cleaners, detergents, solvents, abrasives, spray products, or leather cleaners.
- Clean spills only with a mild, colorless soap mixed with warm water (1 part soap : 10 parts water).
- Keep furniture out of direct sunlight to prevent fading.
- Avoid positioning near heating or cooling vents.
- Never write on the furniture without a protective pad.

Quality Check

- ✓ Verify structural stability
- ✓ Check for damage/color discrepancies
- ✓ Confirm all parts installed correctly

Prepare Cushions (Important!)

- ✓ Carefully cut compression bags with scissors (avoid damaging fabric)
- ✓ Allow 2-7 days for full expansion
- ✓ Wait 72 hours after expansion for regular use (extends lifespan)

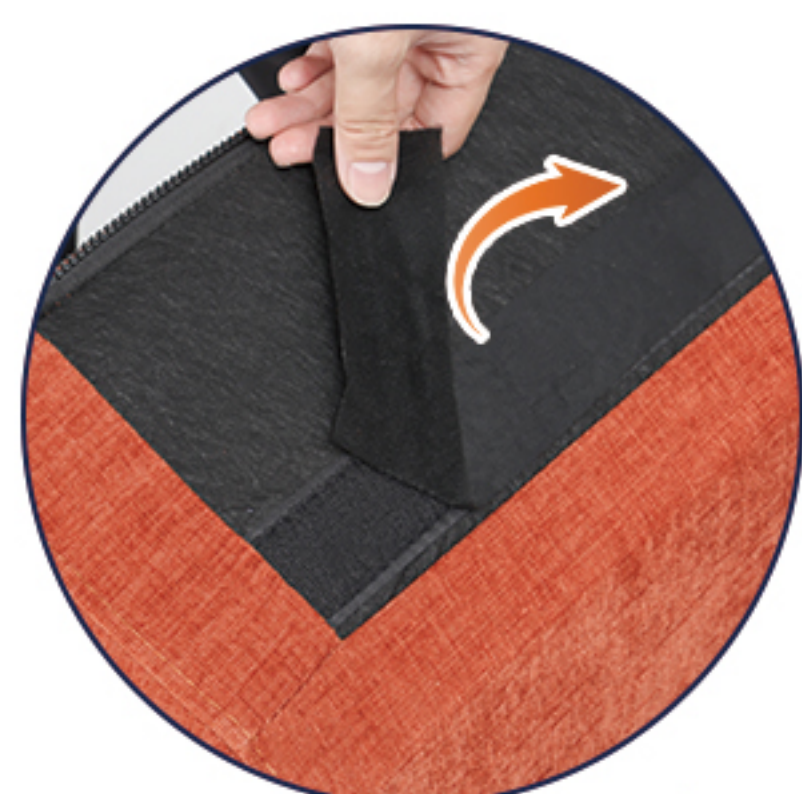

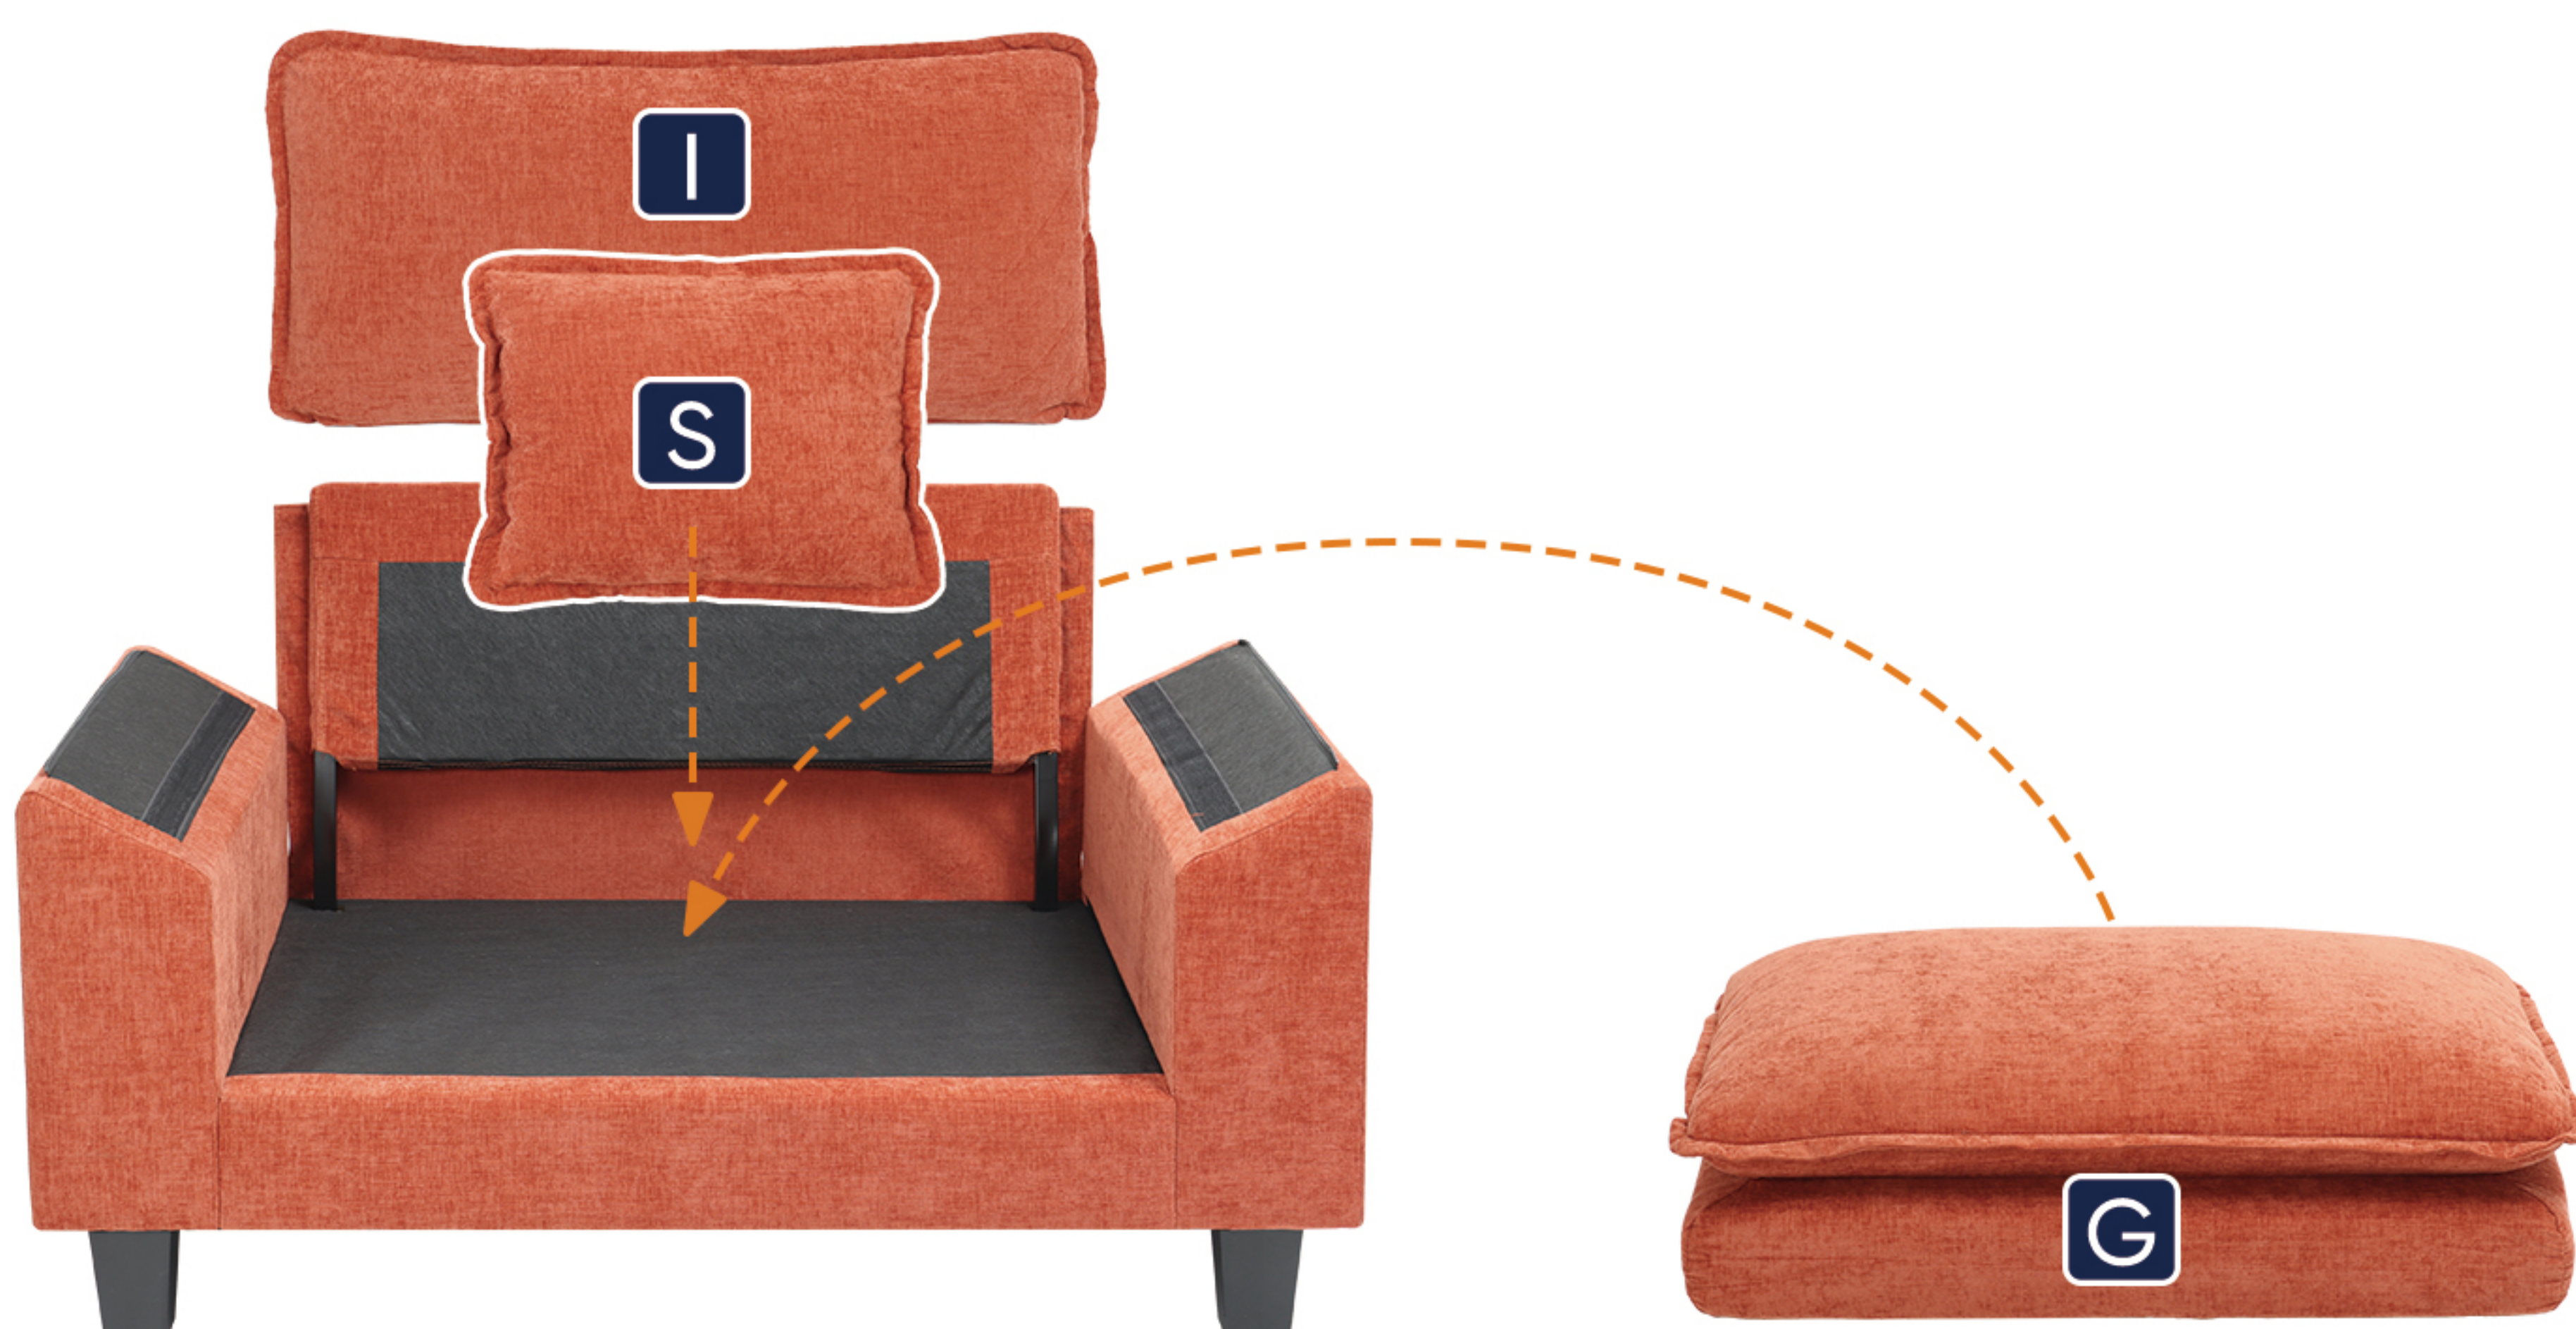

Carefully cut and open the vacuum-sealed bags, pull the cushions out of the bags, and gently pat them to evenly fluff, shake or roll them to help restore their original shape.

STEP 4 Final Assembly

Place the expanded seat (G), back (I), and lumbar (S) cushions on the frame (A). Then, zip the armrest pillows (J & K) onto the armrests (E & F).
