

10-inch LED Dimmable Downlight by WENLIGHTING

- Available Wattage: 40W
- Color Temperature Available: 5000K
- Luminous Available: 3000 Lumens
- Beam angle: 120°
- Lifespan: 50,000 hours
- Voltage: 120V
- 10-inch LED Dimmable Downlight
- cETLus, Energy Star & FCC approved
- 5 years warranty

SPECIFICATION

MPN	Wattage	Voltage	Lumens	CCT	Beam Angle	CRI
DW001	40	120V	3000	5000K	120°	>80

MODEL VARIATION

- We use the SMD LED chips as one of the Premium LED chips on board for best results. For this product, the SMD type is 2835.
- The dimmable LED downlight for dimming purposes uses a low-voltage dimming driver. The driver works best for a commercial application having 0-10V systems, thus providing for smooth dimming. Also, this 0-10V driver is compatible with a 0-10V dimmer.

WARNING AND CAUTIONS

- The product must be installed according to the instructions. Installed by a person familiar with the product, production and product hazards.
- Avoid fire and electric shock. When installing the lighting fixtures, you need to understand the electrical characteristics. If you are not sure, do not attempt to install. Please contact an electrician.
- Understand the structural features and dimensions of lighting before installation.
