Please make sure all hardware&packing material fitting the list. Especially some small accessories may be missing during transportation. Please contact us if you have any question.

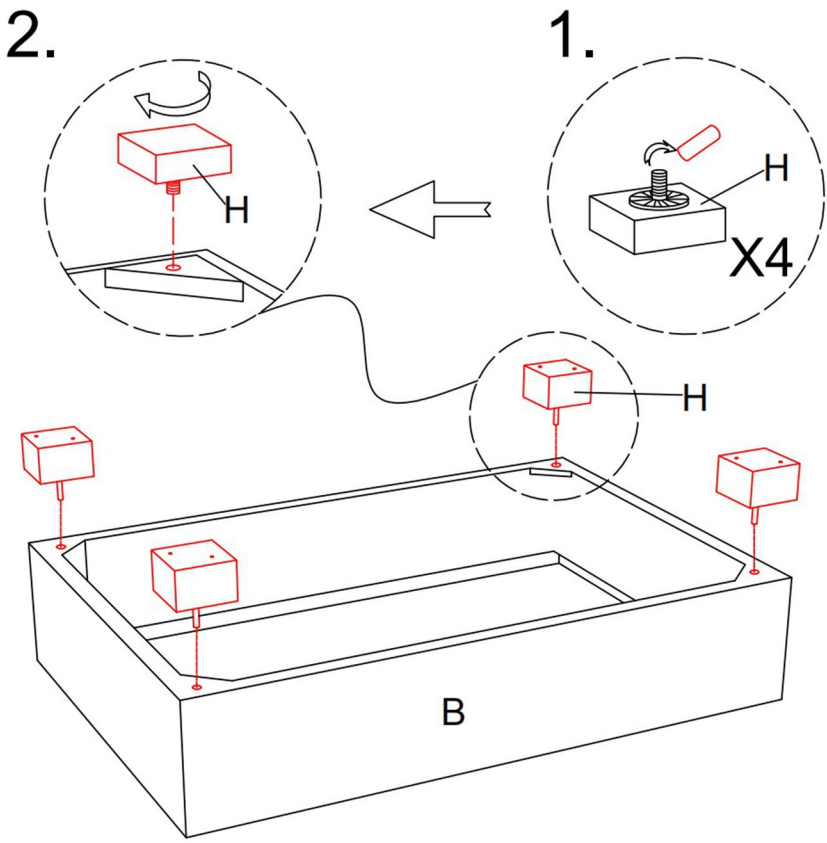

step 1---Cut the plastic air compression bags

Cut the plastic air compression bags, and take out the cushion (A). Let it recover to its original shape, the whole recovery process might take 48 hours, you may gently slap on it to speed up the process.

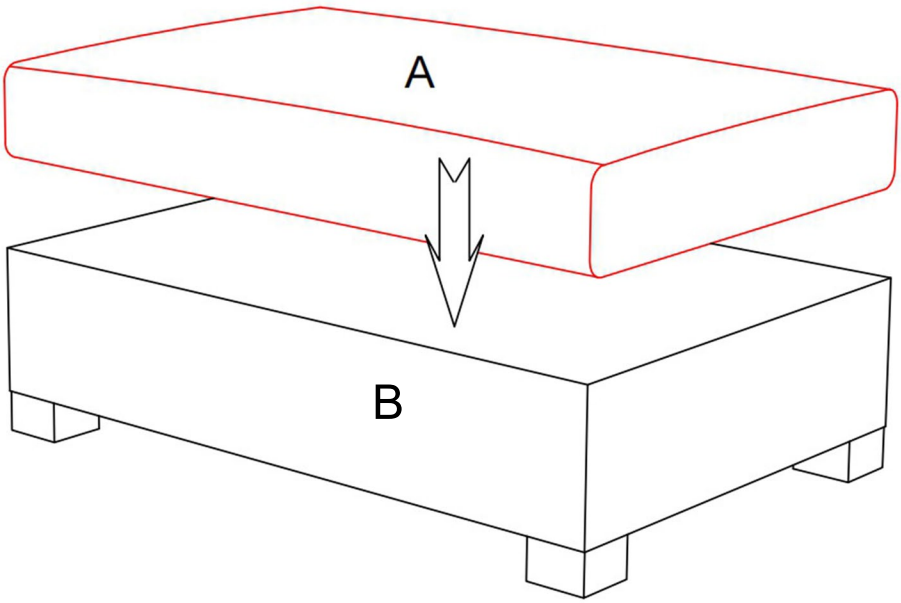

step 2 ---Install the sofa legs (H)

Please remember to remove all the plastic caps off the sofa leg screws as shown. Flip over the sofa frame (B) as shown, then twist in all the legs (H) into each corner of the sofa frame, make sure they are all tightened. We suggest you place the sofa frame on a carpet or rug in order to protect your floor and the product.

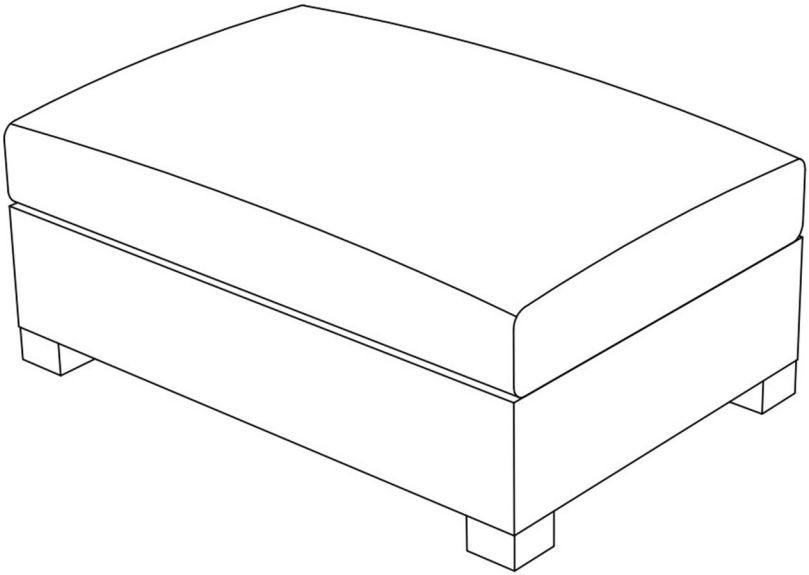

step 3---Place the seat cushion (A)

Place the Seat cushion (A) on it.

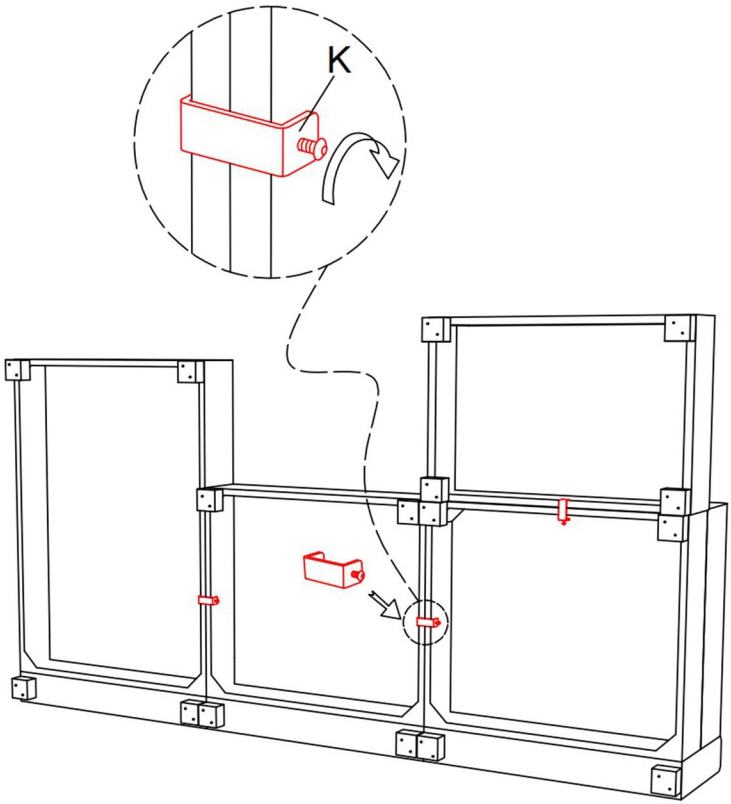

step 4 ---Assemble complete

Congratulations! The assembly has complete! Thank you again for choosing our product, please enjoy!

step 5 ---Install the metal buckle

A metal buckle is included inside the carton as a free part.
If you have purchased only a single piece of the sofa, this buckle will not be needed.
If you are combining it with other sofa components (ottoman, chair, chaise, etc.), you can use the buckle to secure two parts together from the bottom, preventing displacement during use.
