

Assembly & Installation Instructions

PREPARATION before INSTALLATION:

1. If an existing fixture is being replaced, remove it and note to which wire in the outlet box the original fixture was attached.
2. Before discarding the carton, double-check the packaging to make sure all parts have been found.
3. This fixture was designed to be mounted on an octagon outlet box. The box must be securely mounted to the structure of the building.

IMPORTANT:

1. **WARNING** - Disconnect power before relamping or wiring the fixture. Turn off the entire electrical circuit to which the lighting fixture is attached.
2. Installation and maintenance of this fixture should be completed by a licensed electrician.
3. Failure to install the fixture correctly could result in serious injury or death.
4. Read all instructions before starting installation.

INSTALLATION STEPS:

First of all, open the box, find out the various accessories and carefully placed on a clean platform to prevent scratches and collisions with the lamp body.

1. Loosen the screw ①, adjust the hanging height of wire as desired, and then tighten the screw to secure the wire. Slide the figure-8 fastener to the ceiling canopy bottom position, make it against to the canopy.
2. Determine the location of the ceiling mounting bracket screws and drill holes, inserting the expansion screws and using the self-tapping screws to fix the mounting plate.
3. Connect the LIVE wire (brown color) / Neutral wire (blue color) / Ground wire (green color) to the house corresponding power wires by wire terminal.
4. Secure the ceiling canopy to the ceiling mounting bracket with the screws.
5. Secure the glass lampshade to the lamp holder with the lamp holder lock ring.
6. Install the bulbs (bulbs not included), done.

Notes:

1. Caution Turn off the power before connecting cables and connect with the correct polarity.
 2. It is strictly prohibited to wipe the surface of lamp body with chemical solvents. Cotton cloth is recommended. Glue a small amount of water to gently wipe the lamp.
- Warm tips: this lamp is only for indoor installation and is strictly prohibited for outdoor use.
