## Dimensions

## Specifications

- 6-speed, reversible DC motor
- Die cast and extruded aluminum construction
- 52" span, injection-molded ABS blades
- Pre-configured with a 4" down rod (longer options also available)
- Optional LED light: 7W, 90 CRI, 3000K, 500 lumens (dimnable), GU10 base
- For flat ceilings only
- Designed by Jorge Pensi
- ETL listed for dry and damp locations
- Weight: 16.0 lbs (7.3 kgs)

## Performance Data

### LOWEST SPEED

**RPM:** 45  
**CFM:** 1,445  
**Watts:** 2.35  
**CFM/W:** 615

### HIGHEST SPEED

**RPM:** 170  
**CFM:** 7,020  
**Watts:** 26.56  
**CFM/W:** 264

## Energy Guide Data

**Average Energy Use**  
19 Watts

**Average Airflow**  
4,407 CFM

**Yearly Energy Cost**  
\$5

**Average Efficiency**  
235 CFM/Watt

*Energy Guide Data represents weighted averages of low speed and high speed performance, assuming typical use (excluding light). For more information, visit [www.modernfan.com](http://www.modernfan.com).*

## FAN FINISHES

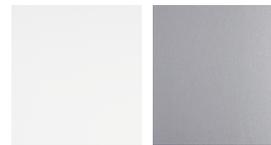

Gloss White    Aluminum    Anthracite

## PLYWOOD BLADES

Plywood blades are constructed of furniture grade veneers, painted or stained as shown here. Natural variations may exist in woodgrains and finishes.

White    Aluminum

## PENSI DC CONTROLS

Our DC fan controls use RF transmission to a receiving unit included with each fan, providing six speeds, reversing and light function (on/off or dimming). Includes universal or dedicated channel selection and master power switch on wall control (if ordered). Control selection is made at time of order and incorporated into fan item number.

### Wall Control (WC)

### Remote Control (RC)

### Wall/Remote Combo (CC)

\* The Pensi DC fan must use one of the above control options. Third party fan controls are not compatible with this product. The Remote Control (RC) can be used in combination with a standard power switch (on-off) in wall box.

\*\* For ordering guidance to replace lost or damaged control components or to add secondary control to existing control sets (e.g. to add a handset to an existing wall control system), contact Modern Fan Co. customer support.

## DOWN RODS

The Pensi DC ships standard with a 4" down rod. Use the following part numbers to order accessory down rods.

Finish	Length
#DRP -	-
<b>GW</b> Gloss White	<b>11</b> 11" for 24" OAL
<b>AA</b> Anthracite	<b>23</b> 23" for 36" OAL
	<b>35</b> 35" for 48" OAL

*Note: The Pensi DC fan is suitable for installation on flat ceilings only.*
