# Installation Manual

## ATTENTION

Make sure all bolts and screws are fully tightened before using chair. Lubricate all moving parts and tighten all bolts/screws every 6 month or whenever needed.

## ⚠WARNING

To ensure proper assembly, follow all steps and use all parts. Failure to follow this warning can result in serious injury to yourself or others.

Please align the 4 bolts onto the chair base, after making sure the adjustment mechanism is well placed then fix bolts by screwing tight.
