MODEL VARIATION

- The Linear high bay being DLC approved comes within the scope of rebate-eligibility criteria and hence you can be eligible for rebate if you decide to have one of our leading products under the commercial segment – Linear high bay.
- The motion sensor comes as an accessory and you can choose to have this with our Linear high bay as it helps in alerting you to an intruder especially when you are away.

WARNING AND CAUTIONS

- The product must be installed according to the instructions. Installed by a person familiar with the product, production and product hazards.
- Avoid fire and electric shock. When installing the lighting fixtures, you need to understand the electrical characteristics. If you are not sure, do not attempt to install. Please contact an electrician.
- Understand the structural features and dimensions of lighting before installation.
