

touchPAD

Simply tap the touch-sensitive switch to turn the lights on or hold it down to adjust the brightness.

Energy-efficient bright daylight LEDs provide perfect makeup lighting that will last for years.

Portable slim design with a flip cover easily and safely slips into any bag for convenient on-the-go use.

Just plug into a USB outlet to power up and stay lit, or charge up and go cordless.

Quality backed with worry-free replacements during your first year of ownership.*
