

Prism Series

50" Linear Electric Fireplace

The best-selling linear fireplace is now even better

The best-selling electric linear fireplace just got better with the all new Series. Sparkling with intensity in a full spectrum of RGB colors, the effect illuminates the diamond-like acrylic ice ember bed in a show-stopping effect. Complete with a powerful and efficient fan-forced heater, this fireplace adds comfort and ambiance to any space. Plugged in or hard-wired, hung on the wall or built-in; the Series is beautifully versatile.

Features

Flame

A blend of technology, artistry and craftsmanship – the patented LED flame technology creates the illusion of a true fire.

Media Bed

Diamond-like acrylic ice ember bed chunks sparkle with the reflected light.

Color Themes

Choose from brilliant color themes or cycle through a range of colors using the prism mode, freezing on the hue of your choice.

Thermostat-controlled Heater

Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!

Multi-function Remote

Adjust the thermostat and appearance settings from the comfort of your chair.

Floating LED Display

View temperature settings and specialty functions such as sleep timer and color themes.

Year-round Enjoyment

Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.

Safe

Front glass stays cool, making it safe to touch.

Economical

Economical to operate. Costing only pennies per hour.*

Green

The green alternative. No harmful particulates or emissions and 100% efficient.

Instant Ambiance

Plugs into any standard household outlet.

Hard-wire Capabilities

Can be direct-wired for a seamless look.

*Based on national average residential electricity rate. Rates vary.
