

HIGOLD

BL1.0 Pro

Stone Texture Handmade Sink

Super wear-resistant durable and everlasting

- Bionic Stone Texture Double Scratch Resistance
- PVD Nano Coating Hydrophobic and oleophobic
- 185mm large drainage hole
- 240mm deep bowl
- Various accessories Switch to double bowls
- 304 stainless steel

Take the stone as a guide, Change it to harder surface

Re-engage the natural texture of stone on the sink
Explode amazing wear resistance

HIGOLD

The more evolved the better capability Upgrade non-stick and wear-resistant performance

Combination of traditional craftsmanship and superb technology
Overcoming the cleaning challenge of kitchen sink

HIGOLD

- ✓ PVD + Nano + Embossed + Stainless steel Strong and wear-resistant

3D micron texture Clean without care

Through high-tech embossing technology, the tightly embossed grain surface attached to the body, improving the hardness of the sink to resist the deformation during daily scratches

HIGOLD

- Daily scratches without leaving any mark
Three-dimensional sand with 100µm in diameter wear resistance
- Micro-carved stone pattern full coverage on the surface
Increase surface hardness double toughness

Dual Physical Barrier Technology Water and oil repellent true non-stick

The combination of PVD neno-coating and embossed texture increases the tension of the oil stains contact surface, so that the oil stains will be suspended, which will be taken away with the water when washing

HIGOLD

Strong drainage system Flood type large draining

All-in-one top-flow drainage configuration
Draining water is much faster than the normal sink

HIGOLD

- 85mm large drainage hole
- X-shaped water guiding design
- Fine filter residue fast draining

Washing, cutting and draining in one sink, sparing large space at countertop for use

Accompanied with basin in basin for use, single bowl is switched to double bowls, washing by partition, clean and sanitary

HIGOLD

240mm depth volume Wash pots and pans at one time

Large items can be put down, small items can be washed more
Banquet tableware no need to be cleaned in batches

HIGOLD

- 770mm Length
- 480mm Width
- 240mm Depth

Three installation methods

Whatever choice you make, it's more important to be right for yourself

HIGOLD

- Countertop (Installation diagram)
- Flushmount (Installation diagram)
- Undermount (Installation diagram)

Waterfall pull-out faucet

Wash as you like

Simulate the natural flow of waterfalls
Gentle wash without splashing
Large area flushing saves water

HIGOLD

- Shower type outlet
- Single column outlet

Multi-purpose reserved hole

Reserve 4 holes at one time
Insight into the multiple needs of life

HIGOLD

- Cup-washer can be installed
- Main basin can be installed
- Water purifier faucet can be installed

Leave more space for storage

Rearward design of drainage pipe
Larger storage space

HIGOLD

Product List

HIGOLD

- 952330
- Drainage set
- High-quality solid wood cutting board
- Dense hole colander
- Heat-resistant PC basin-in-basin

Product Parameters

HIGOLD

Product Name: **BL1.0 Pro Stone Texture Nano Sink**

Model: **952330F** Hole size for faucet: **35mm**

Surface treatment: **Embossing process + PVD + Nano**

Hole size for soap dispenser: **28mm**

Material: **SUS304** Panel thickness: **3mm**

Drainer diameter: **185mm**

Product Size: 770x480x240mm	Inner size: 720x378mm
Topmount cutout size: 750x460mm	
Undermount cutout size: 723x449(R12)mm
